A BIG CREW IS TO BEGIN WORK AT THE STATE

Thousands Of Dollars To Be Expended In Sound Betterment

FINEST EQUIPMENT USED

Interior Of Playhouse Is To Be Decorated Beautifully

A crew of workmen, including contractors, interior decorators and R. C. A. Photophone engineers arrived here Monday and have begun work to make The State Theatre as nearly sound proof as the best minds of the day can conceive.

To Beautify Interior.

The work of the interior decorating will be looked after by W. T. Adams, of Eureka, father of B. F. Adams, manager of The State Theatre, who has been in the employ of the George Mann Theatrical interests for years. Mr. Adams will redecorate the walls and add new draperies while Contractor Guy Morris will aid in installation of the acousti-celotex blocks, for sound absorption, which completely abolish echoes and other noises in the playhouse.

Material Is Costly.

The blocks are very expensive to install but are the only satisfactory method thus far found to reduce to a minimum interference with sound reception. Perhaps the most interesting, as well as the greatest item of expense, is the installation of the porous sound screen which takes the place of the present screen and which permits a full sound reception from the horns of the R. C. A. photophone to pass through the screen, which has a surface of 40 per cent of holes through which the sound passes directly out into the auditorium instead of around the curtain as has been the practice with the present screen.

Use Finest Equipment.

The R. C. A. engineers are replacing the baffle board horns with the latest speaker system such as is used in the Golden Gate Theatre and the R. K. O. Theatre of San Francisco. For all this up-to-the minute equipment Ukiah patrons of The State Theatre can be grateful the local showhouse is under the management of the George M. Mann interests as no privately-owned playhouse would be able to make an investment at such a great cost. It has always been the policy of Mr. Mann to give patrons of his theatres the maximum of entertainment regardless of cost. Unmindful of the good returns on his business he is constantly building up the equipment of his chain of theatres and when the present work is finished Ukiah will have a theatre second to none in sound reception, beauty and comfort, according to B. F. Adams, local manager of the George Mann interests.

B. E. FALES IS LAID TO REST

Long Illness Of A Dos Rios Young Man Ended Saturday

Funeral services were held in this city yesterday afternoon at two o'clock for Byran Emmet Fales, who passed away in this city January 19. Death was caused by tuberculosis from which the young man had suffered several years. The service was held from the Eversole Mortuary. Interment was in the Ukiah cemetery. Mr. Fales was born at Dos Rios June 22, 1905, and had resided in Mendocino county all his life. He was a young man of good habits and well spoken of and his untimely death is greatly regretted here. Beside the parents, Mr. and Mrs. William Fales, several brothers survive.

Mr. and Mrs. F. M. Wilson made a visit of three days at Sacramento last week.

PLAY SANTA ROSA

Local fans will have an opportunity to witness some classy basketball when the local high school casaba brigade tangles with the Santa Rosa high school boys in two games Saturday evening at the high school gymnasium.

JAS. R. ELDER TO RUN AGAIN

It was stated here Monday, although Mr. Elder could not be quoted personally, that County Recorder Elder has made an announcement he intended to be a candidate for re-election. Mr. Elder has made an excellent official and it will take a strong contender to dislodge him, is the belief.

Chance To See Structure.

Following the program the building will be open for inspection.

Cherry Brothers To Handle Easy Washer

Cherry Brothers have been designated distributors for the Non-Wringer Washers and are offering demonstrations either on the floor of their sales rooms or in homes of patrons. The Easy is rated one of the best machines of its kind made and is sold on a most liberal budget plan, if desired. Write, phone or call at Cherry Brothers, 306 North State street, and get full details, without obligation to buy.

Lime Quarry Will Be Opened Shortly

Oswald Wilson, agricultural agent of the Northwestern Pacific Railroad Company, who was here last week, stated plans were fast being completed for the opening and operation of the lime mine on the Laughlin ranch north of here. As soon as weather conditions permitted work would begin on the construction of the plant and building of a road to the mine, so everything would be in readiness for the opening of the plant in the early spring, Mr. Wilson said.

Willits Weather Is A Record Breaker!

Old timers are all agreed the recent snow storm showed the heaviest fall recorded at Willits for over 20 years. There are no records for the years before that, so it is impossible to say if there has ever been more snow in Willits. "In the hills surrounding the town," says The Willits News, "we hear reports of snow to a depth of two feet or more."

Income Tax Blanks Are Being Received

Income tax blanks were received in Ukiah this week. They are reminders of the fact the time for making returns will soon be up. The rate this year is much smaller than last.

DIRECTORS NAMED

The five new directors for the Ukiah Chamber of Commerce chosen by vote out of 10 names submitted are Harry Burke, G. P. Anderson, George Merk, L. Hofman and H. McCowen, Jr. Last evening the 10 directors met and elected officers for 1930.

John B. Bellatti, prominent agriculturist of Round Valley, was a Palace Hotel guest during the week.

C. B. MELVILLE WILL BECOME A CONTENDER

Old Friend Of Coaster Says Announcement Will Come Soon

LOST IN POOR CAMPAIGN

Four Or Five Will Probably Be In Assembly Race This Year

Senator Herbert W. Slater is a very close friend of former Assemblyman C. B. Melville and, when he publishes the following article in his political column, he probably knows what he is talking about. Senator Slater's article in The Santa Rosa Press-Democrat runs: "Charles Burns Melville, former Mendocino county assemblyman and shingle mill operator of Fort Bragg, stepped into the office yesterday for a brief chat. While Charley did not say so in as many words, it seems a pretty safe bet he may be a candidate for the assembly again this year.

Is Well Supported.

"He has a lot of friends who want to see him start. Some time ago, Mr. Melville was mentioned for postmaster at Fort Bragg, but nothing more has come of it. Assemblyman Ray Ingels and George Biggar are in the Mendocino race for the assembly at the present time."

Last year Mr. Melville, because he sat down and made no campaign for the place, was defeated by about 70 votes. This year he has stated he would make a real campaign. It is believed an Anderson Valley rancher may also enter the fight. At this time the office appears to be one that will be well contested for.

WILLITS MAN DIED IN SLEEP

Thos. A. McCool Was Likely A Victim Of Pneumonia

Thomas Allen McCool was found dead in his cabin at Willits Saturday morning by Fay Dryden. The day previous his daughter, Mrs. Dennis Crockett, came over from Rockport to see her father and when she knocked on the door there was no response and she presumed he was somewhere about town. The following morning Mrs. Crockett again went to the cabin and knocked and on receiving no response asked Fay Dryden to accompany her to the cabin. Mr. Dryden forced his way in and found the aged man lying in bed dead. Just how long Mr. McCool had been dead no one knows for the last seen of him was Wednesday when he came up town as usual. He had not been complaining of being ill but an examination made by Dr. Raymond Babcock showed he had lobular pneumonia. Deceased died without a struggle and even when found appeared to be in a deep sleep.

Long Lived Here.

Mr. McCool was born in Missouri, April 4, 1845, and had lived in California more than 50 years and at different places in Mendocino county about 25 years. During the latter portion of his life he was employed in the woods and about the mills of various lumber companies and had made Willits his headquarters for a great many years. Mr. McCool is survived by two children, Mrs. Dennis Crockett, of Rockport, and Jesse McCool, of Eureka. The funeral services were held at the Anker Mortuary, Willits, Monday morning.

IN NEW POSITION

Miss Mary Gantz has succeeded Miss Hilda Banker as secretary in the office of Farm Advisor C. S. Myszka. Miss Gantz has been employed in a secretarial capacity at the Pacific Telephone and Telegraph Company's office.

MRS. DONOHOE BETTER

The condition of Mrs. R. E. Donohoe, who has been critically ill since Christmas eve, is greatly encouraging. Since Sunday Mrs. Donohoe has been steadily improving and her family and a large circle of friends are hopeful for her full recovery shortly.

FAST EUREKA TRAIN PILED UP BY SLIDE

South Bound Express In Wreck Saturday At Mile Post 147

3 ARE HURT SOMEWHAT

Big Boulder Slid Onto Tracks—Traffic Delayed Six Hours

The southbound Eureka passenger train was wrecked early Saturday morning when it ran into a great boulder and earth slide eight miles north of Willits at the 147 mile post.

Was Making Up Time.

The train was several hours behind time, the delay being caused by numerous slides. The accident occurred in an open cut and this is all that saved the train from plunging into the turbulent waters of Outlet creek. The visibility was poor and Engineer Roy Burgess was trying to make up lost time and was almost on the big slide before he saw it. He immediately applied the air brakes and the locomotive struck a giant boulder at almost the same instant. The impact was terrific and three people were seriously injured by being thrown against some solid object.

Those Who Were Hurt.

Mrs. Dolores Kane, 1324 Washington street, San Francisco, was thrown against a seat and had several vertebra of her neck fractured. Mrs. Kane was placed in a cast by Dr. Raymond Babcock and then taken to the railroad hospital in San Francisco for special treatment. A trained nurse from Howard Memorial Hospital, Willits, accompanied her to the city.

Harvey Bates, 334 Sutter street, San Francisco, received some serious cuts and abrasions about the knee and legs. He also was taken to San Francisco after his wounds were dressed.

John Banks, the mail clerk, was standing when the crash came and he was thrown with great force against the wire screen and received many cuts and bruises about the head, none of which, however, were very serious.

News Phoned To Willits.

The locomotive toppled over on its side and it was with great difficulty the huge boulders were removed from the track. Word of the accident was immediately telephoned to Willits from the nearest ranch house and a special train went out and the passengers and mail were transferred and what had been the northbound train was turned around and left for San Francisco about six hours late. The midday passenger trains also had to transfer their passengers and mail and return to their starting points.

Rains Caused It.

The slide was finally cleared about seven o'clock that night and a temporary, or shoefly track, built around a boulder that was as large as a small house. This accident was due to several of those unavoidable causes that no one can guard against. A warm rain had melted two weeks' accumulation of snow and the banks were not strong enough to hold back the enormous amount of water pressure.

Episcopalians Name Officers For Year

At the annual meeting of Holy Trinity Mission (Episcopal) January 19, R. D. Foot and H. R. Paull were re-elected warden and treasurer and Geoffrey Bell, Charles T. Smith and E. L. Williams were chosen trustees for 1930.

FRUIT GROWERS MET

The Ukiah Fruit Growers held their annual dinner meeting Saturday evening at the Saturday Afternoon Club house. Covers were laid for 28 members of the organization at the meeting which was mostly of a social nature.

SEASON'S PRECIPITATION

The rainfall for the season, as recorded by Ed Hyden, has reached a total of 19.97 inches.

PUBLICITY IS DRAWING THE TRADE TO CITY

The Press Advertising Today Indicates A New Store Life

COVERAGE IS COMPLETE

Thousands Of Dodgers Dove-tail In With Newspaper Space

Through advanced methods of merchandising Ukiah is rapidly taking its place as a key trading center of northern California. Progressive merchants are making of this city a town where people from miles around come to do their buying. Advertising, low prices and service are doing the work. Today The Republican Press is carrying a four-page advertisement of The Lieurance Department Store, big advertisements from Montgomery Ward & Co., The J. C. Penney Co., The Safeway Stores and other merchants.

Whole Section Covered.

In addition to the liberal advertising space used in The Press Lieurance Stores are using 20,000 broadsides, the J. C. Penney Co. and The Safeway Stores are also having thousands of dodgers printed by The Press for distribution where The Press does not reach.

A Progressive Policy.

It can be safely said that, out of The Press office this week, there will go more publicity from Ukiah stores to the people of this part of the state, than in other days would be sent out in a year, and the stores spending their money for this advertising are the ones who know advertising pays.

SPECIALIST IS DEAD IN SOUTH

Woman Doctor Recently Summoned Here, Was Stricken

Judge and Mrs. H. L. Preston and Mrs. Mary Ruddock received word Sunday of the death of Dr. Marguerite Scholl, prominent baby specialist of Los Angeles and sister of Mrs. Carroll Ruddock. It will be recalled Dr. Scholl, in company with Dr. Ruddock, made a hurried trip here from Los Angeles a few months ago when the little son of Judge and Mrs. Preston was born and the sad news of her passing has plunged the two local households in sorrow.

Studied With Mayos.

Doctor Scholl practiced her profession in Santa Rosa three years, later joining the Mayo Brothers clinic for advanced study in her specialty. For three years she has been holding a prominent place in professional circles of Los Angeles where her untimely death is greatly deplored. Dr. Ruddock is the son of Mrs. Mary Ruddock and a brother of Mrs. Preston. Like her sister, Dr. Scholl, Mrs. C. Ruddock is also a physician.

D. H. Lafferty Is Given A High Post

D. H. Lafferty, of Santa Rosa, civic leader and pioneer good roads advocate, is the new president of the California State Automobile Association, the motorists, organization of Northern and Central California. He was elected to leadership of organized motordom for 1930 by the Board of Directors of the Association at its annual meeting. Mr. Lafferty is well known here and his selection will meet with general satisfaction locally.

MARRIAGE LICENSES

Clerk H. M. Burke the past week issued marriage licenses to John A. Backlund and Virginia Lee Williams; Morris Hartwig and Mary C. Lindstrom; James B. Mannon and Hilda Banker; Thomas Cartwright and Pearl Krantz.

NOW AT HOME

Dr. F. E. Rea was brought home Sunday last following satisfactory recovery from the recent serious operation performed by Dr. Sterling Bunnell, of San Francisco, and is now doing nicely at his West Perkins street residence.

VANDALS ARE BEING SOUGHT

The police authorities are at work endeavoring to apprehend the vandals who broke a number of panes of glass in St. Mary's Social Hall here last week. The officials have information which may result in the arrest of the offenders and; when caught, an effort will be made to punish them.

FORT BRAGG WILL PLAY TOMORROW

Coast Basketball Five Meets Ukiah Here At Gymnasium

Local basketball fans are due to witness the neatest exhibition of casaba-tossing displayed here this season when the Ukiah Athletic Club five tangles with the powerful Fort Bragg Lumberjacks tomorrow evening at the high school gymnasium for the basket-shooting championship of Mendocino county. The game has all the symptoms of a perfect "natural" for, while Paul Poulos' hired men have been trampling roughshod over all the interior teams, the Fort Bragg lads have been polishing off everything along the coast, without suffering a defeat. The boys from the foggy city seem to be well fortified with confidence as well as ability as they challenged the locals and agreed to play here on a 60-40 basis, long end to the winner.

A Fast Quintet.

The Athletic Club basketeers are looking better every game. They started the season by cleaning up all the opposition within reach in Mendocino and Lake counties and last week they meandered down into Sonoma county for two games. They swamped the Cloverdale quintet by a 41 to 12 count, and a few days previous they came within an ace of defeating the Santa Rosa Legion, considered the strongest outfit north of the bay. Poulos' net swishers were reveling in a 10-point lead over the Rose City gang, with the last quarter half over, but the home-talent referee—Lord bless him—sent Allenby, Elledge and Smith off the floor during the last six minutes for alleged rough playing and the home guard rallied to win, 43 to 38. That defeat still sticks in the crops of Poulos' Pets and if they can trounce the coast champions tomorrow evening, they will get another crack at the Santa Rosa outfit for the Sonoma county championship—and probably on the local court. Consequently tomorrow's game will certainly be no place for anyone with a weak heart.

To Safeguard Average.

The Athletic Club line-up will be the same that has been functioning so well all season. "Steve" Hull, Rocky Allenby and Port Smith will argue over the forward positions, "Osky" Weselsky will perform at center, and "Eel" Elledge and "Foggy" Ottoson, guards, will hold down the far end of the court. This combination has averaged 40 points a game for their nine games this season, and does not intend to let the Lumberjacks spoil the average.

At The Start.

A good preliminary game between the Athletic Club 145-pounders and the high school Class B team will precede the main attraction.

Hotel Manager Given Chance To Make Good

Arthur E. French, former manager of The Hotel Cecille, was on Friday last granted probation for a term of three years. Mr. French was alleged to have taken funds of the hotel while manager. Local friends made up $300 of the amount taken and the balance will, according to Mr. French's probation, be returned by him as quickly as possible. In addition to his shortage Mr. French contracted some $150 in accounts about the city.

AGED LADY PASSES

Mrs. Permelita Gibson Keatley, a pioneer resident of the Mendocino coast, died in Oakland last week. Mrs. Keatley, who was 92 years old, was buried in Evergreen Cemetery at Manchester after services had been held at the Presbyterian church at Point Arena Wednesday. A sister, Mrs. Mary Gibson Westbrook, passed away here some years ago.

PRELIMINARY WORK STARTS IMMEDIATELY

Foundations For Golden Gate Bridge Are Found Excellent

DETAILS SAFEGUARDED

No Move Is Being Made Without The Fullest Investigation

With preliminary borings for the Golden Gate bridge now nearing the stage of completion, Engineer Joseph B. Strauss will shortly undertake the task of completing the final plans for the great structure that will link San Francisco with the north bay counties.

Foundations Are Satisfactory.

According to Engineer Strauss the test holes drilled on the San Francisco side have revealed solid rock foundations, both for the land anchorage and the pier, which will rise from the rock bottom of the Golden Gate off historic old Fort Winfield Scott. These borings, Engineer Strauss declared, have fully confirmed the reports of geologists, upon which the preliminary plans and estimates for the Golden Gate bridge have been based.

Start Marin Boring.

Borings on the Marin side of the gate have commenced. Because of the character of the rock on that side there will be fewer holes drilled than on the San Francisco side, and the work will be pushed through at a much more rapid pace. Neither Engineer Strauss nor his associates harbor any misgivings. "As far as physical aspects are concerned," Engineer Strauss declared "the construction of the bridge could commence immediately. However, we are leaving nothing undone that will safeguard the structure and will protect the interests of the taxpayers of the Golden Gate Bridge and Highway District."

Geologist Tests Rocks.

Every piece of rock that has been brought up by the diamond drills has been painstakingly labeled, catalogued and retained for the searching scrutiny of Prof. Andrew Lawson, University of California geologist, who has been retained by the bridge district. Final plans for the structure will be prepared with Prof. Lawson's reports in mind and will be ready to be submitted to the War Department at the earliest possible date. In accordance with the stipulation of former Secretary of War Weeks the plans must be in conformance with the details accompanying the original permit application and conditioned upon the performance of certain acts by the district before a final permit can be granted. This, according to Engineer Strauss, is the usual procedure. The stipulations referred to are to the effect the government must have free use of the bridge at

THE PRICE

There never was a cheat who wished
the name.
There never was a thief who did
not feel
He could escape the punishment and
shame
Which fall to men who use their
wits to steal.

The liar hates the title of his lie.
No trickster ever boasts that he is
base.
No felon shouts: "A murderer am I!"
No man is ever happy in disgrace.

"My boy, remember liars, cheats and
thieves
Detest the names which they have
come to own,
Who stoops to cheat, in confidence believes
His cleverness can keep his shame
unknown.

"You cannot lie without the liar's
name.
There is no skill can glorify deceit,
The cleverest man who plays the
trickster's game
Inevitably brands himself a cheat."

TREASON!

THREE headlines, giving thoughtful Americans food for thought:

"Coast Guard Kills Three Liquor Smugglers."

"Alcohol Deaths And Intoxication Increasing."

"Only Fanatics Back All Laws, Says President Butler."

Little news in the first two. Real news in the last, says The San Francisco Call-Bulletin.

Nicholas Murray Butler, president of Columbia University, cannot be described as a radical, a communist, or an anarchist.

Many epitaphs have been applied to him in his long life time, but not these.

On the contrary, he is known to the American people as an arch-conservative, a foe to liberalism, a rock-ribbed standpat partisan.

Now he says that the call for observance of the prohibition statutes—asked by President Hoover — is "meaningless" and "the reverse of reasonable."

He urges "the higher lawlessness" as the only escape from the tyranny of fanaticism and fanatical statutes.

"Thomas Jefferson, Ralph Waldo Emerson and Abraham Lincoln were all of this mind," he says, "and surely their names are names to conjure with."

President Butler puts in plain English what millions of Americans dimly realize but have seldom been able to express, even to themselves.

That is, that legal enactments are not necessarily law.

Our forefathers realized that and expressed it effectively.

The stamp tax, the tax on tea, "taxation without representation," were all legal enactments.

They were legally enacted by the British Parliament and, according to Mr. Hoover's logic, the American people, then British subjects, ought to have obeyed them until they were peacefully and legally repealed.

Fortunately the American people did not obey them, but refused to recognize them as law, however "legal." Had they piously obeyed them, there would be no United States today, no White House in Washington and no Mr. Hoover in the White House.

These calamities were averted by the common sense of the founders of the republic, who did not confuse real law with tyranny disguised as law.

Most of our troubles today are due to the fact that we do not use the same good sense, but confuse "law" with tyranny.

President Butler puts it in a nutshell when he says:

"If law enforcement meant the enforcement of all law, then the social order, at least in the United States, would be quickly afflicted with paralysis, partly because of the absurdity of many of these laws, and partly because of their open conflict with each other.

"There is no ground whatever for the statement that violation of one law, or disregard for it, leads to the disregard of all law. The contrary is the case. Unbroken human experience goes to prove that a man may hold one law in utter contempt and yet have a high respect for the great body of laws of the land in which he lives.

"Free men from the beginning of time have followed that course."

Fanatical prohibitionists will accuse President Butler of treason. He and millions of other law-abiding Americans, will reply:

"If this be treason, make the most of it."

By their actions, they already have replied, and many more are replying daily.

The Call says Doctor Butler has referred to the stand Abraham Lincoln took on prohibition, but does not outline it. In order that the readers of The Press may know just where Mr. Lincoln stood on prohibition The Press reproduces what Mr. Lincoln said was his position:

"Prohibition will work great injury to the cause of temperance. It is a species of intemperance within itself, for it goes beyond the bounds of reason in that it attempts to control a man's appetite by legislation, and in making crimes out of things that are not crimes. A prohibition law strikes a blow at the very principles upon which our government is founded. I have always been found laboring to protect the weaker from the stronger and I can never give my consent to such a law as you propose to enact. Until my tongue shall be silenced I shall continue to fight for the rights of men."—Abraham Lincoln.

ON THE RIGHT TRACK

LAST WEEK Attorney Charles Kasch began proceedings in superior court whereby, if he is successful, a change in handling cases in courts of justices of the peace all over the county will result. At the present time, there is no getting away from the fact, an unfair way of conducting trials is carried on here. A certain justice of the peace is known to be severe with game law offenders and some deputy game commissioners make it their business to see parties accused of game law violations are taken before this justice, even if the offense is not committed in his district; dry law officials take Volstead act offenders to a coast justice because he is relied upon to inflict limit punishment on those brought before him; one traffic officer sees to it persons arrested by him are tried before a justice who has no kindly feeling for traffic law breakers. In each instance this is the wrong thing to do. A man should be tried before the justice of the peace in whose township he offends, unless the justice is prejudiced — Thus Mr. Kasch contends. This newspaper does not know whether Mr. Kasch is making his fight on legal grounds, but certainly everyone with a sense of fairness will hope he is successful.

Eureka Man Was Held On Bad Check Charge

W. Toomey was taken from the south-bound Eureka train at Willits Thursday by Nightwatchman Rich, and held for police officers from Eureka. Advices from the northern city state he is wanted on a bad check charge. Mr. Toomey was lodged in the Willits jail until a deputy sheriff from Eureka arrived. Marshal Thom met the train at Longvale so the officer could return on the afternoon train with his prisoner. The man was said to be an old offender and Willits officers took no chances with him.

DOING NICELY

The Press is in receipt of a letter from H. G. Beales, former owner of Beales Bungalow Camp, now located in Seattle. Mr. Beales and family are doing nicely on the Sound and like their new home, but have a warm spot in their hearts for Ukiah. They are kept advised of the movements of their old friends through The Press.

MOOSE BENEFIT BALL

Ukiah Lodge No. 1668, will give a benefit ball at Pythian Castle Monday night, January 27, for the benefit of the orphans or dependent children of deceased members, and the public is cordially invited to attend and assist in this worthy cause. The mission of the Moose Fraternity is a very practical one. Orphans or dependent children of deceased members are taken to Mooseheart, Illinois, and given a home, a high school education and instruction in one of 40 practical trades. Mooseheart is now housing, feeding, clothing and educating over 1500 under-privileged children, an undertaking which challenges the respect and admiration of the civilized world. The entire proceeds of the Moose benefit ball given by Ukiah Lodge No. 1668, L. O. O. M., January 27, will be used to assist in providing each orphan with a good home, the necessities of life, and a proper education. Support by the public not only gives furtherance to a good cause, but patrons of the ball are assured a pleasant time. Music by the Blue and Gold Orchestra.

HAD BOARD MEETING

About 100 club women gathered at Napa Wednesday for the board meeting of the San Francisco District, California Federation of Women's Clubs. The meeting was held at Napa at the invitation of the New Century Club. Mrs. Duncan Robinson, of Rio Vista, president of the district, presided. Mendocino county is a part of the district, but was not represented at the meeting by reason of the fact the recent storms made traveling over country roads hazardous. Department reports were given after Mrs. Percy S. King, of Napa, past president of the district, greeted the visitors. At the afternoon session the president council announced the next board meeting would be held in San Francisco on February 14 at which time the president of the General Federation of Women's Clubs will be a visitor in San Francisco and a guest of the gathering. Among the delegates at the meeting was Mrs. W. L. Sales, of the advisory board of the district, who was a recent speaker before the Saturday Afternoon Club here.

WEDNESDAY BRIDGE

PRETTY CEREMONY UNITES TWO NOTED FAMILIES

A wedding of universal interest was solemnized here yesterday morning at 9:30 o'clock when Miss Hilda Belle Banker, daughter of M. Banker, became the bride of James Mannon, only son of C. M. Mannon of this city. The marriage was solemnized at the home of Floyd Banker, brother of the bride, in Jones street and was witnessed by 18 relatives and close friends. Rev. E. H. Benson, of Holy Trinity Episcopal church, read the impressive ring ritual that united two of Ukiah's best known and highly regarded young people. Montgomery Banker gave his daughter into the keeping of the bridegroom. Prior to the service Mrs. R. R. Byrnes sang "O Promise Me" from Robin Hood by Reginald de Koven. The vows were exchanged under a bower of greenery banked with masses of vari-hued sweet peas and quantities of narcissus.

For her wedding the bride wore a most becoming and modish afternoon gown of beige chiffon with which was worn satin shoes in matching tones. She carried a shower of gardenias and lilies of the valley. Later the bouquet, instead of being tossed to the guests, was converted into corsages, one of which was worn by the bride with her going away gown and the others presented to guests at the ceremony. The wedding breakfast was served at small tables, the bride's table being decorated in a pink color scheme with a centerpiece of chrysanthemums and delicate maidenhair ferns. Following the breakfast Mr. and Mrs. Mannon departed by train for San Francisco and last evening left Oakland for Cambridge where they will reside until June. The going-away gown was a tailored suit of navy blue with hat and other accessories to match.

At the train the bridal pair were showered with rice by the entire company of wedding guests among whom were Miss Martha Mannon, of Stanford University, sister of the bridegroom, and Neal Ross, of Los Angeles, cousin of Mr. Mannon.

Mrs. Mannon is a very beautiful and gracious young woman. She is the daughter of Montgomery Banker and the late Mrs. Belle Banker and a sister of Floyd Banker, local business man. On her mother's side of the family she is closely related to the pioneer Ford and York families of the Ukiah valley, whose names are written securely into the history of Mendocino county. Mrs. Mannon was graduated from the local schools. She was a member of the graduating class of 1922 of the Ukiah high school and closely linked in friendship with a group of young women including Miss Evelyn Redemeyer, now Mrs. C. Farringer, Miss Lurline Jamison, now Mrs. Don Fair; Miss Margaret Cunningham, now Mrs. Maurice Huguet, Miss Vivian Green, now Mrs. Marcus Gilmore, and Miss Ila Ruddick. Following her graduation from high school the popular local girl attended business college in Santa Rosa since which time she has followed secretarial work in this city.

Like his bride Mr. Mannon was graduated from the local schools, after which he attended Stanford University and later Harvard Law School. Always in his student days Mr. Mannon won scholastic honors and when he entered Harvard University to complete his course in law he maintained the high standard set in California institutions. Mr. and Mrs. Mannon left Tuesday evening for Cambridge where they will reside until Mr. Mannon is graduated in June from Harvard University when they will again take up their residence in California.

ENROUTE SOUTH

Mr. and Mrs. Albert Evahn are motoring south today where they will enjoy a visit of 10 days with Dr. Herbert Winkler and family in Los Angeles. Dr. Winkler is the son of Mrs. Evahn, who will celebrate her birthday within the Los Angeles family circle. When Mr. and Mrs. Evahn return north they will make their home in Healdsburg, having purchased a home at 514 Johnson street and leased a service station and lunch room at 453 West street. Mr. and Mrs. Evahn are highly esteemed here among a large circle of friends and there is universal regret over their departure.

HEARD KING SPEAK

A number of local radio fans "listened in" from three to five o'clock yesterday morning when King George of England delivered the welcoming address at the Naval Limitations Conference held in London at the House of Lords. Speakers from several countries delivered addresses all of which, with the exception of France and Japan, were spoken in English. The broadcast came in with considerable clearness and it was possible to hear every word spoken by the monarch.

WAS PRETTY PARTY

Friday afternoon, at the home of her aunt, Mrs. Myrtle Wildberger, in West Clay street little Miss Marjorie Mitchell entertained 12 school friends in honor of her ninth birthday. The color scheme for the party was in tones of pink and blue and yellow, the lovely combination creating an unusually attractive setting. Over the table a canopy of bright-hued balloons were massed. The favors were attached to a charming doll arranged in the center of the table and wearing a most becoming frock of ruffled pink crepe paper. Each young guest present received a smaller doll garbed in blue as well as one of the coveted balloons. The napkins, nut cups and other appointments were in the tri-colored scheme. Those who were asked to share in the pleasure of the birthday party were the Misses Carol Kasch, Millicent Lottridge, Marjorie Nassie, Marjorie Michaelson, Arzelle Dennen, Hazel Sanford, Louise Hinds, Irene Sandelin, Virginia Aldrich, Helen Houdeshell. Mrs. Wildberger was assisted in entertaining the guests by Mrs. Guy Elliot and Mrs. Claude Mitchell, grandmother and mother of the guest of honor.

BETROTHAL TOLD

The announcement of the engagement of Miss Evelyn Webb, of San Francisco, and Floyd Lobree, former local resident and son of Mrs. Celia Hofman Lobree, was received with much pleasure here last week. The delightful bit of news was told to San Francisco friends of the couple at a party held Friday evening in San Francisco. No date has been set for the wedding. Miss Webb is said to be a charming young woman. Mr. Lobree was born here and attended local schools until the family home was established in San Francisco where he was graduated from Lowell high school and later attended Stanford University. For a number of years he has been employed by a large insurance company. Mr. Lobree is a pianist of more than ordinary ability, and had he chosen to would have made a great success as a professional musician. He is a very highly regarded young man, both here and in business circles in San Francisco and many local friends will learn with great pleasure of the forthcoming nuptials.

BETROTHAL TOLD

Cards were received in this city last week announcing the betrothal of Miss Vivian Hargrave, daughter of Mrs. Ethel Riffe Hargrave and the late Dr. Walter Hargrave, of Oakland, and Elbridge Ray, of Oakland. The announcement is of unusual interest here as the bride-to-be is a descendant of two of the oldest and most prominent pioneer families of Mendocino county. Miss Hargrave was born in Covelo. She was a granddaughter of John Henry Riffe, of that place, who was one of the best known and highly regarded citizens of Round Valley. The Hargrave family is also well known and respected, particularly on the Mendocino coast where the family home has always been established. The late Dr. Hargrave was an educator of Mendocino county and later qualified at the College of Physicians and surgeons, San Francisco, as a dental surgeon. He practiced his profession in Covelo for many years before moving to Oakland. The bridegroom-to-be is a graduate of the University of California in the College of Civil Engineering and holds a good position at Eureka where the new home will be established. Miss Hargrave is a niece of Mrs. F. F. Zeek, of this city, whose husband is principal of the Redwood Valley school, and has many other relatives residing in Mendocino county.

SOCIETY AND CLUBS

ROYAL ARCH INSTALLS

Carl Barnard, Grand Scribe of the Grand Chapter, Royal Arch Masons of the State of California, and D. W. Douglas, newly elected Commander of the Knights Templar at Santa Rosa, were the installing officers for Ukiah Chapter No. 53, Royal Arch Masons, occurring last Saturday evening. Preceding the ceremonies, a banquet was served in the Temple by the Methodist ladies, who deserve much praise for the bountiful quality and the neat table coverings appropriate in Royal Arch colors. C. A. Bernhard placed at the disposal of chapter members his very latest RCA combination model radio, which furnished the dinner hour musical program including a choice selection of Red Seal records. The following officers were duly installed: Walter Brown, high priest; William Davis, scribe; William Bromley, treasurer; Carl W. Palmer, secretary; Fred Dart, captain of the host; Fred Waugh, principal sojourner; Walter Sandelin, Royal Arch captain; T. M. Cleland, master third veil; Elmer Haskin, master second veil; John Finne, master first veil; Alex Kauhanen, sentinel.

PLAN MUSICAL TREAT

The choral section of the Saturday Afternoon Club, under the direction and leadership of Mrs. Alfred Ploda, will stage the Chinese operetta "My Maid On The Bamboo Screen," and rehearsals are held regularly for the presentation Friday evening, March 7. The musical event will probably be held at the new high school auditorium, which is ideally arranged for such a production. The cast includes a group of principals, a large chorus and juveniles. The chorus will be made up of high school girls while the principals will include Miss Virginia Herron, Mrs. R. R. Byrnes, Miss Frances Rea, Mrs. I. M. Brazier, Mrs. B. A. Cober, Mrs. J. H. Hansen, Mrs. J. H. Martensen. Juveniles include Misses Betty Brazier, Marion Hansen and Jean Thornton. Mrs. Louis Eildreth will read the prologue and act as announcer. Stage settings and properties will be looked after by Mrs. Rena B. Stout and Mrs. Martensen. The affair will be elaborately costumed.

OF UNUSUAL INTEREST

The meeting of the Parent-Teachers' Association Tuesday evening of last week was largely attended and of unusual interest by reason of the fact the Lieurance moving pictures of an African big game hunt were shown. The showing was of great educational value and the pictures were remarkably clear in outline. H. E. Lieurance, who was a member of the famous hunting party, operated the projecting machine and explained details of the trip. He was assisted by his son, Rex. Lieurance. Prior to the showing Dr. Robherd Thomas sang two vocal numbers. Mrs. Mayme Taylor, president, conducted the meeting.

KOSMOS CLUB PLANS

The Kosmos Club will meet Thursday at their headquarters in West Henry street. Mrs. Lillian McPeak will preside and Mrs. Frank La Porte will be in charge of the program, which is listed as a travelogue in costume. The hospitality committee includes Mrs. Laura Shattuck and Mrs. Perle Crawford. The club will hold a sale of cooked food and aprons at the Home Meat Market in South State street and at the meeting Thursday will complete plans for the St. Valentine dance to be held Friday evening, February 14, for which score cards will sell at 50 cents each.

SEAT OFFICERS

Friday evening, at an impressive ceremony, Ukiah Parlor, Native Sons of the Golden West, installed officers following which a banquet featuring chicken pie, was enjoyed. Edward Zimmerman, district deputy, was the installing officer. Those inducted into office were John Freitas, junior past president; H. J. Zimmerman, president; Albert Bechtol, first vice-president; A. W. Frey, second vice-president; Sidney J. Smith, third vice-president; Alfred Ploda, marshal; Carl Daubeneck, outside sentinel; Joe R. Figone, inside sentinel; Selma Wurtenberg, trustee; Ben Hofman, secretary; A. D. Scott, treasurer; A. L. Tracy and Fred Figone, trustees.

DINNER AND BRIDGE

Mr. and Mrs. Mark Carpenter opened their hospitable home in East Clay street to the members of their dinner and bridge club Monday evening. The event centered around the natal day of Dr. Hansen in whose honor a birthday cake was served and who was presented with a set of golf balls by his fellow members of the club. The menu featured roast duck from which the table setting for the dinner borrowed its theme. A miniature duck pond was arranged as a central decoration around which bathing beauties were gathered while a wise old duck looked on approvingly. Score favors at the bridge game following the dinner were presented to Mrs. A. L. Harris, Edward A. Eversole, Mrs. A. H. Martin and Dr. J. H. Hansen.

INSTALLED OFFICERS

Tuesday evening, January 14, the Ukiah lodge of Odd Fellows installed officers at their headquarters in North State street. The following grand officers were in charge of the installation ceremonies: G. M. Miller, D. D. G. M.; Byron Gowan, G. M.; Orville Hull, G. W.; Lee R. David, G. S.; George David, G. F.; Ed Zimmerman, G. C. Included in the list of officers inducted into office were George P. Johnson, A. P. G.; George David, N. G.; Guy P. Joslin, V. G.; Chris Bruns, secretary; Julius Roller, treasurer; McSpadden Miller, W.; H. J. Zimmerman, C.; Orville Hull, R. S. N. G.; Claud Heryford, L. S. N. G.; Lee David, R. S. V. G.; F. Dean, L. S. V. G.; E. C. Baker, I. G.; Thomas Linn, O. G.; J. W. Butts, R. S. S.; G. M. Miller, L. S. S.; N. Beckley, chaplain. Following installation refreshments were served in the banquet hall.

PROSPECTIVE PARTY

January 29 the Saturday Afternoon Club will again open the commodious clubhouse to the public at a bridge party. The affair will be held in the evening. Mrs. E. J. James is chairman of the committee of arrangements while Mrs. Edward A. Eversole, Phone 106-J, is in charge of table reservations. Fifty cents per person covers the cost of the entertainment of the evening.

FOR BRIDGE CLUB

The Fortnightly Bridge Club met Friday afternoon at the home of Mrs. Guy Redwine for the usual game of bridge and a tea service. Mrs. Earl Ford substituted for Mrs. E. S. Masters and won the score favor.

FOR FELLOW WORKER

Tuesday evening of last week the employes of the Lieurance Department Store of this city arranged a party in honor of Miss Lucile Moore, who left shortly afterward to enter the employ of the Lieuranec Department Store at Santa Rosa. The affair was held at the Moore home in Clara avenue. Those present included Mr. and Mrs. Harold Erskine, Mr. and Mrs. Jack Goudge, Mr. and Mrs. John Cooper, Mrs. Carrie Van Voast, Mrs. Helen Jung.

CLUB MET AT DINNER

Mrs. Lottie Collins was hostess to the Business and Professional Women's Club at the Dolores Apartments in North State street Thursday evening following the dinner meeting of the organization of The Palace Hotel. The guests were entertained at bridge by Mrs. Collins, the score favors being presented to Mrs. L. H. Foster, club president, and Miss Joan Fraser. The club meets next week at dinner at The Palace Hotel at 6:30 o'clock.

CULTUS CLUB

A record attendance of members and an interesting literary and social program marked the meeting of the Cultus Club at the home of Mrs. Jas. R. Elder in Scott street Tuesday evening of last week. The major subject of discussion was of early sculptors, papers on which were read by Mrs. Winifred Mitchell and Mrs. Iva Mellis. Miss Perry contributed two vocal solos accompanying herself on the ukelele. Mrs. Lucy Seawell, charter and honorary member, was a guest of the evening. A two-course refreshment service was enjoyed at small tables by the score of members present.

METHODIST WOMEN MET

Mrs. J. H. Hansen offered her hospitable home in South Oak street for the January meeting of the Federated Methodist Women which occurred Thursday afternoon. The 16 newly elected officers of the organization served as the hospitality committee. Mrs. Hazel Ford presided. During the business meeting the organization pledged $1000 toward the building fund of the church. Owing to the length of the business session no program was offered. Refreshments of molded salad, sandwiches and coffee were served at small tables.

HERE FOR VISIT

Mrs. Eva Wright, of Vermont, arrived here last week for a visit with her cousins, Mr. and Mrs. George Cook at the family home on the river road. Miss Wright came west to escape the winter snows and shortly after her arrival witnessed the first snowstorm here in many years.

ON SOUTHERN VISIT

Mr. and Mrs. Fred Weldon left Wednesday for a motor trip to southern California. The local folk will be away a fortnight and will visit at the home of Mrs. Volney Seawell, sister of Mrs. Weldon, and with their son, Lloyd Weldon, former local resident, who holds a good position in Los Angeles.

TO HOLD CARD PARTY

On Saturday evening, February 8, the Catholic Ladies Aid Society will hold a public card party at St. Mary's social hall. Score cards will be 50 cents each, which will also include a supper service. The parties sponsored by the church society are always eagerly anticipated and give much pleasure here.

GRANGES INSTALL

Ukiah Grange was hostess organization at the joint installation of the Mendocino County Pomona Grange and the Granges of Ukiah, Redwood Valley and Potter Valley Friday evening at their headquarters at the Knights of Pythias hall in South State street. It is estimated 200 members were present when the four sets of officers were installed by Deputy State Master Grenville Libby, of Middletown, Lake county, assisted by Lillian Nassie, marshal; Dorothy Larsen, emblem bearer, and Sadie Swim, regalia bearer. During the installation of chaplain the tableaux, "Abide With Me," was beautifully staged. The Masters of the four granges follows: F. W. Swim, Pomona Grange; Charles Luce, Ukiah Grange; Fred Finne, Redwood Valley Grange; George Burkhart, Potter Valley Grange. During the impressive rites F. W. Swim, retiring master of Ukiah Grange was presented with a past master's jewel and Mrs. Bert Thomas retiring lecturer, received a handsome glass sherbet set. Another impressive tableaux of the evening, "Four Things The Grange Stands For," showed Helen Swim depicting Liberty; Evangeline Stanley as Religion; Mrs. F. Lawrence as Education, and Agriculture impersonated as follows: Dorothy Meek, Ceres; Dorothy Tolman, Pomona; Bernice Lawrence, Flora. The supper service was in charge of a committee headed by Mrs. E. McCorrison. The color scheme of the table was in a winter suggestion of white and green.

JUNIORS PLAN PROGRAM

Saturday afternoon at the club house the Saturday Afternoon Club was entertained by the Juniors of the organization who, under their leader, Miss Frances Moulton, staged a very creditable and entertaining program including a playlet, a fancy dance by a group of girls and a piano solo by Helen Pauli. The usual tea service followed the entertainment which was enjoyed by 60 members.

MUSICIANS "TREAT"

Following the regular weekly rehearsal of the Ukiah Male Chorus Monday evening at the elementary school auditorium the meeting was converted into a supper service at which the men of the chorus were hosts to the boys. In all covers were laid for 84 members of the chorus working hard, under the direction of Hugh Harvey, for the annual minstrel show to be hold at a date in April to be set later.

KINGSLEY CHAPTER

At the semi-monthly meeting of Kingsley Chapter, Order of Eastern Star, held Monday evening at the Masonic Temple program numbers were contributed by Mrs. Adolph Henrich, who played two piano solos, W. A. Chessall, who spoke at length on education, particularly as it is expressed in the Ukiah union high school, dwelling with emphasis on the opportunity offered in the night school classes, and the male quartet of the chapter the personnel of which includes Will Van Dyke, Hugh Harvey, Dr. R. Thomas and G. P. Anderson. Mrs. M. H. Iversen was chairman of the committee of arrangements for the evening.

HAD TAFFY PULL

On Friday evening, January 17, the Camp Fire Girls of the eighth grade held a business meeting and taffy pull at the home of Miss Thelma Hill.

LIVESTOCK IS IN BAD SHAPE

Cattle, Pigs And Lambs Reported Suffering After The Storm

(Special Correspondence of The Press)

COVELO, Jan. 21.—The heaviest snow storm experienced by Round Valley for 40 years seems to be a thing of the past, though much rain-soaked snow and slush still lingers. The total fall is estimated at 30 inches, although 24 inches on the level is the greatest depth reported at any one time. Wednesday night the steady snowfall changed to a cold, drizzling rain which persisted for the rest of the week. Owing to the low temperature the snow has melted slowly, permitting the water to drain away without flooding the valley. Stock and wild life have suffered severely. Considerable damage has been done by the weight of snow upon buildings. The storing room at the hop ranch is a complete wreck. A crew of men worked all night and all next day removing 407 bales of hops to the big hay barn, where they were deposited with little damage. A milking shed at the Ed Curtiss farm fell, killing his cow. Mrs. Curtiss, who was milking, narrowly escaped by running at the first warning crash. A cow barn and a wool shed at the J. S. Rohrbough ranch and a shed at the Melendy place fell, killing a number of calves and sheep. The roof of the D. T. Johnson home fell in Wednesday night. No one was injured. Prompt assistance from relatives and neighbors restored the roof to a condition that will afford protection until summer.

Got In Trouble.

Many cars have been in trouble more or less serious. Mr. and Mrs. G. F. Hicks and F. M. Hicks, of Calpella, who came up to visit Mrs. Ernest Page, were snowed in half way up the mountain to the west of the valley and had to abandon a new car by the roadside and return to their home by stage. The Watkins dealer got off the grade and stuck in Berger Creek canyon, leaving his truck in the storm. The mail truck was stuck one morning, forcing the driver to come back for a lighter car. Mal Conner spent the night in Berger Creek canyon, making his way through next day. Fortunately no serious casualties have occurred.

Had Snow Exercise.

Half the population was out Tuesday and Wednesday busily shoveling snow from unsteady roofs.

Little Pigs Suffer.

The hop ranch is having trouble saving little pigs which are arriving during the storm. Lambs, too, are dying, though they are not arriving in large numbers as yet. Game Warden Caldwell reports deer gathering in protected places and in better condition than are the cattle, though they need salt. A messenger from the Clyde Hopper ranch in the hills on Monday reported stock in good shape except the hogs, which cannot stand confinement. There is plenty of hay in the barns at this ranch.

Storm Closed School.

The reservation school was closed Tuesday because the storm made it impossible for the school bus to reach the homes of the children. The town schools have remained in session but with lessened attendance.

Bank Officers Named.

The stockholders of the Covelo Bank met in annual session Saturday for the purpose of electing officers for the ensuing year. Those chosen were J. S. Rohrbough, president; G. M. Biggar, vice-president; J. D. Rohrbough, cashier; J. L. Dunlap, assistant cashier. The board of directors consists of J. S. Rohrbough, D. P. English, E. A. Gravier, W. P. Thomas and G. M. Biggar.

Have A Daughter.

A letter from George Gravier received Friday evening announces the birth of an eight and one-half pound daughter.

Came To Visit Father.

K. M. Forbes, of San Francisco, is visiting his son, our genial baker. While here he has been assisting in the installation of an oil burner at the bakery. The new heating plant is proving highly satisfactory.

Mrs. Gravier Sick.

Mrs. Melissa Gravier has been confined to her bed by illness for the past week. Her many friends are happy to know her condition is improving.

Had Influenza.

Freddie, Cecil and Stanley Hart have all three been victims of influenza the past week. Happily all are recovering.

To Build House.

Frank Hagne is busy tearing down the buildings on the Cooper place recently purchased by him, preparatory to erecting a home in the spring.

Ranger F. O. Long was in Ukiah last week on official business.

J. S. Rohrbough and G. M. Biggar were in Ukiah last week to attend the meetings of the land valuation committee under the auspices of the farm bureau.

Club Is Growing.

The 4-H Club held its first regular meeting Saturday afternoon at the grammar school. The club now has 12 members, with others to follow. They have decided to meet every other Saturday afternoon at two o'clock at the grammar school until the coming of longer days and warm weather, when they will change to evening meetings. As a community project for the present the club will undertake to educate the general public in the purpose of the 4-H work through talks and demonstrations. Project work for the year was outlined at this meeting. Five projects have been adopted. Jack Lovell, Gavin Hurt and George Lowry will raise sheep. Pigs will be grown by Everett Yates, Willard Brush, Lawrence Hurt and Allen Lowry, George Tracy and Earl Lowry will grow calves. Robert Fitzhugh will turn his energies to poultry raising. John Ham and Marcel McCombs will undertake gardening. Occasional reports of their work will be given at meetings of the local farm center. The boys are enthusiastic over their work. They are keeping a scrapbook record of all press notices accorded them.

Few At Meeting.

Through the snow and slush on Saturday a faithful few made their way to the auditorium for the regular meeting of the Covelo Women's Improvement Club. The secretary read the report of the executive committee outlining the program for the rest of the club year as follows: Feb. 1—the literary committee; Feb. 15—the history and landmarks committee, assisted by the executive committee. This meeting marks the anniversary of the organization of the club and will offer special features in recognition of that event. On March 1 the tree committee and school grounds committee will work jointly under the chairmanship of Mrs. W. W. Coke. On March 15 the committee on conservation of birds and wild life, Mrs. J. B. Beliatti chairman; April 5—Mrs. Hemenway and Mrs. Bauer; April 19—Public Welfare committee, Mrs. Jennie Lovell chairman; May 17—The Federation News, Mrs. Ella Henderson and Mrs. Ilona Bauer; June 7—Election of officers, finance committee; June 21—Cemetery committee.

Additional Committee Members.

Sub-committees to assist at the anniversary meeting in February were appointed as follows: Music—Miss Lola Goforth, chairman,; Mrs. Alice Morrison, Mrs. Anna Lovejoy, Mrs. Fannie English, Mrs. Catherine Johnson, Miss Clark; Decorations—Mrs. Winnie Hurt, chairman, Mrs. Eunice Jamison, Mrs. Minta Bauer, Mrs. Elizabeth McCombs, Mrs. Madelyn Moore, Mrs. Georgia Fish; refreshments—Mrs. Merry O'Ferrall, chairman, Mrs. Mary J. Perry, Mrs. M. N. Nicholson, Mrs. Sadie Conner, Mrs. Viola Ellis, Mrs. J. I. Hurt, Mrs. Fred Woolley, Mrs. J. L. Dunlap, Mrs. H. L. Zeek, Mrs. May Shields, Mrs. Mariella Harpe, Mrs. Floyd Long, Mrs. Forbes, Mrs. Wylie English, Mrs. Maude Goforth, Mrs. Clyde Hopper.

The auditing committee reported the books in excellent condition.

A letter from Mrs. E. V. A. Murphey brought the information the size of the lot in which the club is interested is 85x70 feet. An offer of $200 for this lot was made by the club.

Mrs. Rohrbough reported the school board is ready to co-operate with the club in beautifying the school grounds and has set aside $200 for this purpose.

An Interesting Program.

The meeting was then turned over to Miss Pellegrini, who presented a charming short program, with the assistance of Miss Farnsworth and some high school pupils. Miss Shirley Rohrbough presented a delightful piano solo, Miss Helen Lowry gave a graphic reading, and Miss Farnsworth and the glee club contributed two pleasing numbers.

It's A Boy.

Clyde Henry was summoned home last week by news of the birth of a son, the second in his family.

Judson Foster is here for a short vacation. He is engaged in the forest service in Sacramento county.

Peter Clark was in the city last week for hospital service.

Out All Night.

Mrs. Sadie Conner, Mrs. S. E. Hamilton, Mal Conner and Arthur Conner were Ukiah visitors last week. They had a rather hard experience with the storm, being forced to spend the night in the Berger Creek canyon. Next day the ladies returned to Laytonville where they took the train for home. The men managed with much difficulty to make their way by the road.

Is Seriously Sick.

J. D. Jamison is critically ill at his home here.

Southerners In Covelo.

Mr. and Mrs. Stark White, of West Virginia, are guests at the J. S. Rohrbough home. The ladies are cousins. The Whites have been visiting in Seattle and points north. They came in by way of Eureka. They will return to the east by way of Los Angeles and Denver after a short stay here.

Mrs. E. R. Caldwell is in receipt of a message from Mr. and Mrs. Kramer, San Francisco friends, who announce their coming on Monday for a mid-winter vacation visit.

Have Had Measles.

Mrs. Marella Carfagni and two small daughters, Elizabeth Ann and Marella Jane, of San Francisco, are suffering from a severe attack of measles. Their many Covelo friends extend sympathy.

Dorcas Aid Met.

A little group of Dorcas Aid workers met Friday afternoon around the

DR. L. J. TABLER IS TO RETIRE

Anderson Valley Is To Be Without A Resident Physician

(Special Correspondence of The Press)

BOONVILLE, Jan. 21.—Dr. L. J. Tabler, only physician in this valley, is retiring from active service and is reported to have sold his property here to I. C. Burke. Doctor Tabler is past 80 years of age and certainly deserves a well-earned rest. He has practiced in Anderson Valley for seven years, coming here from Los Angeles, where he had a very large practice. At that time he was wanting a small place that would give him more leisure. Despite his age he is still hale and hearty and in condition to enjoy life for years yet. The sale includes household furnishings and also hospital equipment. It is understood the place will be for rent and residents here are in hopes it will be leased by a physician who will take over Dr. Tabler's practice. We will be sorry to lose Dr. and Mrs. Tabler and our best wishes go with them to their new home in the southern part of the state.

Is Improving.

Mrs. M. O. Akey, of San Francisco, is recovering nicely from a very delicate operation performed a few days ago to remedy internal injuries sustained in a wreck over a year ago. Her mother, Mrs. I. C. Burke, is with her.

Mr. and Mrs. S. W. Cross, of Albion, were week-end visitors at the Hogan home.

Mr. and Mrs. W. W. Holmes and small daughter and J. McCool, of Fresno, are guests of Mrs. E. S. Lemon this week.

Lodges Installed.

The local Odd Fellows and Rebekahs held joint installation Saturday night. The new officers are N. G., R. E. Brown; V. G., W. P. Burke; Rebekahs — N. G., Miss Chrystine Burke; V. G., M. C. Gowan.

Son Is Sick.

Bishop Estes, eldest son of Professor Estes, principal of the high school, has been quite ill and was taken to Ukiah Friday for medical aid. He is reported to have chronic appendicitis and an operation may be necessary.

Mr. and Mrs. W. L. St. John were Sonoma county visitors Sunday.

At Son's Home.

Mr. and Mrs. E. Estill are passing a few weeks in Ukiah, guests of their son, B. D. Estill. They expect the change will help Mr. Estill to regain his strength more rapidly. Later, when he is able, they plan a trip to the southern part of the state.

Mr. and Mrs. K. B. Wallach and Mrs. M. J. Fry were business visitors in Ukiah Thursday.

Mrs. A. Mendosa, teacher of the Anderson school, had as her guests at her home in Mendocino Sunday the Misses Violet and Linnea Nelson, of the local high school faculty.

Mr. and Mrs. A. W. Raglan were called to Oakland Monday by the serious illness of Mr. Raglan's mother. Last reports received here were there was very little hope for Mrs. Raglan's recovery.

E. Hogan and W. L. Witherell delivered a truckload of hogs in Ukiah Monday.

Beat The Storm.

Mr. and Mrs. Sidney Wineinger, of Euray, Colo., are guests at the J. L. Estes home. They arrived just a few days ahead of the recent big snow storm that stranded so many tourists on the southern route. This is Mr. Wineinger's first visit here. Mrs. Wineinger passed part of the winter here two years ago and made many friends who are delighted to see her again.

Little Snow In Valley.

Anderson Valley was one of the few places that did not have any snow during the recent storm. A few flakes fell during the day, but melted when they touched the ground. A number of boys hiked into the foothills for a snowball fight. Stock here seems to have withstood the bad weather in much better shape than had been hoped for, even the young lambs do not seem to have suffered much.

Movie Show Date Changed.

The date of the movie to be given under the auspices of the Unity Club for the children of the valley has been changed to February 1. The name of the picture will be announced later. The regular meeting of the club will be held Saturday. The subject is "Better Movies" and Mrs. Zola Willis, Mrs. Wayne Burke and Mrs. Frank Ward are leaders.

NO GRANGE MEETING

The meeting of the Redwood Valley Grange will not take place Friday night, as scheduled. Instead the meeting will occur Saturday evening. The change is made because of the fact the new high school building is to be dedicated Friday night. Saturday night first and second degree work will be put on.

(Special Correspondence of The Press)

REDWOOD VALLEY, Jan. 21.—The Farm Center meeting was opened Tuesday evening with T. Jameson presiding in the absence of the president, John Finne. A helpful talk on grapes was given by Farm Advisor C. S. Myszka; instructive ideas were given relating to proper method of pruning and the care of the vine. He urged, where red spider was found, careful treatment should be given in spraying and dusting early in the spring, also where crown gall was prevalent, and for measles, a dormant spray of sodium arsenate in February is essential.

Want Club Assistance.

Pest control, such as squirrel poisoning and eradicating star thistle, was proposed as a project to be carried on during the year. It was suggested this would be a special feature of the 4-H Club to take up.

Leaders Were Named.

Mrs. A. M. S. Kinsler was appointed leader for the girls department and T. Jameson as leader of the boys department.

Made A Report.

C. R. Yarbrough reported on the directors meeting of the County Farm Bureau. He stated January 24 the officers and membership committees of the different centers were invited to attend a meeting at the courthouse at 10 a. m. The speaker will be Mr. Morrel, state organization manager of the Farm Bureau. A luncheon will follow the meeting.

Would Raise Funds.

Since the treasury is about depleted suggestions were offered to raise money for necessary expenses. A box social was decided upon and Mrs. Kinsler, Mr. Kauhanen and Mr. Zeek were appointed to make arrangements for a program in connection with the social to be held at the school auditorium in the near future.

Made Clever Address.

Wm. Bromley, cashier of the Savings Bank of Mendocino County, was present and gave an appropriate talk to the 4-H Club members and presented the club pins to those who have completed their year's work successfully.

Band Music Enjoyed.

The Redwood Valley Band played two numbers and Mrs. Kinsler sang two selections. The evening's program was concluded with the serving of coffee and doughnuts.

Officers Were Named.

Mrs. Frank Howland entertained the C. S. S. A., which met Thursday afternoon at the club house for their first meeting of the year. A goodly number were present, considering the inclement weather. Plans for the ensuing year were discussed and officers elected as follows: Mrs. Nels Nelson, president; Mrs. Roy Yarbrough, vice-president; Mrs. T. Jameson, secretary, and Mrs. E. B. Watson, treasurer. The next meeting will be held February 6 with Mrs. T. Jameson and Mrs. J. Branson as hostesses.

Mrs. L. S. Simmons and little son went to St. Helena last week where Mrs. Simons will be for a time with her sister, Miss E. Gilstrap.

Canadians On Visit.

Mr. and Mrs. D. Jordan have been visiting the past few days at the Nels Nelson home. Mr. Jordan has recently come from Canada for a visit with his family, who have been at Camp Meeker.

Great Tree Fell.

During the late snow storm folks were surprised when the unexpected happened in the falling of the beautiful live oak tree which was in the center of the road in front of the Hawkeye ranch. It split in the middle from the heavy weight of snow, causing the whole tree to fall entirely across the road. It is a loss that is greatly regretted, as it was one of the most beautiful and symmetrical trees of its size in the valley.

Fund Was Divided.

A mass meeting was held Saturday evening at the school auditorium for the purpose of deciding the disposal of the money from the community fair of 1923. Tom Jameson presided over the deliberations. The matter was discussed with interest and finally voted on to divide it equally among the four organiaztions of the valley—the Grange, the Farm Bureau, Improvement Club and P. T. A., each receiving $40.37.

PHILO RANCHER VISITS

Mr. and Mrs. Frank B. Cook, of Philo, motored over from their valley home Monday and visited Mr. Cook's brother, George Cook, a few hours. Frank Cook is one of the successful ranchers of his home section.

Check these features in the sensational new CHEVROLET SIX

HYDRAULIC SHOCK ABSORBERS — Four Delco-Lovejoy hydraulic shock absorbers on all models eliminate road shocks and increase comfort.

50-HORSEPOWER MOTOR — A great six-cylinder motor, increased to 50-horsepower, gives smoother, quieter operation, with greater power.

BRONZE-BUSHED PISTONS — The stronger, lighter pistons are bushed with high-grade bronze to provide smoother operation and longer life.

NEW HOT-SPOT MANIFOLD — A larger hot-spot manifold insures complete vaporization of fuel—improving performance and efficiency.

STRONGER REAR AXLE — Larger and stronger rear axle gears—made of the finest nickel steel—add greatly to durability and long life.

NEW ACCELERATION PUMP — A new automatic acceleration pump provides the flashing acceleration which modern traffic necessitates.

WEATHER-PROOF BRAKES — Fully-enclosed, internal-expanding, weather-proof brakes insure positive brake action at all times.

GASOLINE GAUGE ON DASH — The instrument panel carries a new grouping of the driving controls—including a gasoline gauge.

NON-GLARE WINDSHIELD — The new Fisher body non-glare windshield deflects the glare of approaching headlights.

LARGER BALLOON TIRES — New, larger, full-balloon tires with smaller wheels improve roadability, comfort and appearance.

TWO-BEAM HEADLAMPS — Two-beam headlamps controlled by a foot button permit courtesy without dimming the lights.

ADJUSTABLE DRIVER'S SEAT — All closed models have an adjustable driver's seat—a turn of the regulator gives the proper position.

The sensational value of the Greatest Chevrolet in Chevrolet History is based on definite points of superiority—which you can easily check for yourself. From its improved 50-horsepower six-cylinder valve-in-head engine, to its beautiful new bodies by Fisher—it sets a new standard of quality for the low-price field.

A few of Chevrolet's extra-value features are listed on this page. Check them over carefully. Then come in and drive this car. Learn what these new features mean in terms of finer performance—greater comfort—greater handling ease—and increased safety. It will take you only a few minutes to find out why this car is winning more praise than any Chevrolet we have ever shown. A finer Six in every way—yet it sells—

SARGON'S FAME SPREADS OVER ENTIRE WORLD

People Of This Country Sending Famous Medicine To Relatives And Friends In England, Scotland, Ireland, Canal Zone, France, Norway, Sweden, Cuba And Many Other Distant Lands

If you had found a medicine that was of such benefit to you that you would go to the trouble of sending it to relatives and friends in distant countries, you would have to be convinced in your own mind that it possessed real merit, wouldn't you?

That's just what thousands of people throughout the United States have been doing with Sargon.

From all over America and wherever Sargon has been introduced, thousands of letters have been received from grateful users telling of the gratifying results that have been accomplished by this celebrated medicine.

THOUSANDS EXPRESS GRATITUDE

On November 27th, a letter dated November 23rd, was received at the Sargon offices advising that in one week one drug firm alone had received orders for Sargon to be shipped to Cavite, Philippine Islands; Coca-Solo, Canal Zone; Belebrook, Ireland; and Paris, France.

Only recently a well-known resident of Denver, Colorado, who had been restored to health by Sargon, sent a full treatment to London, England, to his sister, who is the wife of an executive of one of the greatest retail drug firms in the British Empire.

During the past month there appeared in the Toronto papers the statement of a well-known World War veteran whose health had been greatly impaired while in the service, who stated among other things, that he owed his restoration to health to two bottles of Sargon sent him by a friend in Minneapolis.

LETTERS RECEIVED FROM THE NORTHWEST

From the Northwest, many letters of this kind have been received advising that users of Sargon are sending it to relatives back in their old countries of Norway and Sweden.

Many such letters and endorsements have been received from men of prominence, including former governors, business and professional men, mayors, state and county officials, and even Ministers of the Gospel have deemed it their duty to come forward and tell what Sargon has done for them.

These are only a few of thousands of such cases and not a day nor a week passes that does not bring hundreds of statements from the people concerning the good this medicine is doing, and reciting case after case that would convince the most skeptical.

Sargon's fame is built on actual results — not empty promises, and only those who have put it to the test know its real powers.

Sargon's aim is not mere temporary relief, but new and abundant health. No wonder it is now called the medicine with a million friends.

Autoist Held Was A Wanted Man Locally

C. W. Kettle, of Willits, held in the Sonoma county jail on a charge of driving while drunk, is alleged to be the motorist who struck and wrecked a car driven by Stanley Rea and occupied also by Ronald Fulkerson on New Year's Day as the two young men were enroute to Stanford University. The second offense which resulted in his present predicament, occurred near Geyserville.

Sheriff R. R. Byrnes has been detained at home several days, a sufferer from a bad cold.

cheerful fireplace of the Presbyterian parsonage for the weekly session. Needlework kept all fingers busy, while the ladies enjoyed the gracious hospitality of Mrs. Burnham. As a guest the society had Mrs. Carrie White, of Weston, W. Va., who is president in her own community of an aid society of 100 members.

Mail Delayed.

A slide on the railroad blocked the train Saturday so that no mail got through to Covelo. It has been a long time since we have had this experience, which in former days was the regular occurrence after winter storms set in.

A Little Boy Arrives.

A son was born to Mrs. Alta Bauer Saturday.

Mrs. James Walter and infant daughter, Lurline Lavene, arrived at home Saturday from Ukiah. In spite of the inclement weather both mother and daughter stood the trip well and are happy to be home again.

To Be Married.

Friends here received last week betrothal cards announcing the engagement of Elbridge William Ray, Jr., and Miss Vivian Luella Hargreave, of Berkeley. The bride-to-be is a local girl, the only daughter of Dr. and Mrs. Walter Hargreave, who grew to charming young womanhood in our community and who has many friends here to rejoice with her in the coming happy event.

Mrs. McCombs Dead.

Word was received here Saturday of the unexpected death in Ukiah of Mrs. E. A. McCombs, a former resident of Round Valley, widely known and loved by every old-time resident. Her sons and grandsons left late that evening for Ukiah, in spite of the dangerous condition of the roads. Making the trip were Mr. and Mrs. C. M. Bucknell, Mr. and Mrs. Henry Bucknell, Mr. and Mrs. Elmer Bucknell, Mr. and Mrs. Charles Bucknell and Mervin Foster.

No Meeting Held.

On account of the heavy snow and extreme cold the regular meeting of Augusta Chapter No. 80, O. E. S., for Thursday was not held. Special arrangements for the initiation ceremony will be made by Worthy Matron Beatrice Goforth as soon as the weather permits. Other social meetings for the year are as follows: Feb. 20, Star Point night—Mrs. Rice, Miss Caldwell, Mrs. Woolley, Mrs. Fitzhugh and Mrs. Morse; March 20. Eastern Star entertains Masons—Mrs. E. A. Gravier, Mrs. Ells, Mrs. Duncan and Mrs. Winnie Hurt; April 17, Eastern Star entertains eligible young folk—Miss Isabel Spurlock, Miss Dallas Lovell and Lester Skelley; May 15 or June 19, Past Matrons' night—Mrs. Ham, Mrs. Biggar, Mrs. Bellatti and Mrs. Wilda Hurt; August 21, Advance officers' night—Mrs. Duncan, Mrs. White and Mrs. Yates; Sept. 18, Old members' night—Mrs. Tod Hurt, Mrs. Fannie English and Mrs. Montgomery.

Would Retain Record.

The next meeting of the missionary section of the Dorcas Aid Society will be held Friday afternoon, January 31, at 2:30 o'clock, at the home of Mrs. D. T. Johnson. This mission group is rated as one of the best Presbyterian organizations in the state in attendance and in meeting the quota assigned as its share of the mission funds. President Merry O'Ferrall is anxious to maintain this record unbroken, and therefore urges all members to make a special effort to be present. Plans will be discussed further for the entertainment of Miss Roberta Barr, who is to speak at the church on the following Friday. Miss Barr is a National Missions speaker, and her coming to us is a recognition of the excellent service of the local society. The general public is cordially invited to hear her.

CONSULTED SPECIALIST

Mrs. A. D. Scott, Miss La Belle Scott and LeVerne Scott motored to San Francisco Thursday last and returned home Friday. The trip was made to permit a specialist to examine Miss Scott who, in a recent automobile accident sustained severe injuries which have been slow healing.

One Call Does It All

A Poetical Plea

The campaign to abolish billboards along the Redwood Highway has inspired the pen of Al Utter, local writer, who it will be recalled wrote a bit of verse in response to an editorial plea in The Republican Press against the abbreviation of the word California. The last mentioned poem was copied widely after it appeared in The Republican Press. Mr. Utter's last bit of verse is timely. It follows:

My dad has a notion that has me just sunk;
Thinks sight-seeing trips, 'count of signs, are the bunk.
Last one of these trips I said to him, "Dad,
Now that little view over there isn't bad."
"Huh! Call that a view?" Dad grunts, "there ahead?
All I see is a sign—'Half Mile To Good Bed!'"
"Well, look over here. This sight is just grand!"
And Dad looks — and reads: "Use Suretostik Brand."
Airplanes soared skyward, their wings sunshine lit;
"That's a fine sight now, you'll have to admit."
Dad only mumbles, with glances malign,
"You'd best watch the road; might knock down a sign."
The climax is reached when, rounding a curve
(To put a sign, there sure did take a nerve),
"See Us — We Make Signs" meets Dad's watchful eye.
He froths at the mouth, his finish seems nigh!
It takes all my tact from there back to town
To get him just anywhere near settled down.
So next time I'm tempted sight-seeing to roam
My Dad's not invited—he's safer at home.

all times as well as exclusive right to take over the structure in time of national emergency.

$30,000,000 Is The Cost.

It is also stipulated that the district must assume the cost of removing any gun emplacements in order to clear the approaches to the bridge. The latter item, according to Engineer Strauss, involves the expenditure of a few thousand dollars and will not materially affect the cost of the structure, estimated as within $30,000,000.

Washington Is Sympathetic.

Advices received from Congressman Richard J. Welch, who has kept in close touch with bridge developments both here and in Washington, are taken by the directors of the Golden Gate Bridge and Highway District as definite assurance the final permit for the construction of the bridge will be granted immediately upon the filing of the application.

Bond Issue Tells Tale.

Secretary of War Hurley, newly appointed, already has evidenced his interest in the project, which he has given his informal endorsement, and which he is studying closely. And so there remains but one hurdle to be surmounted before the actual construction of the Golden Gate Bridge commences. That is the voting of a bond issue to underwrite the project by the six counties of the Golden Gate Bridge District.

Italian Society To Have Dance Feb. 2

The S. M. S., Star of Italy Society, has arranged for a dance which will be held at Calpella Hall, Sunday, February 2. The event will take place in the evening and excellent music will be on hand for the dancers. Refreshments will be served. Admission will be but 50 cents a ticket and, it is certain, a large attendance will be present.

Will Cut Down Bad Hill Near McCray's

Two crews of surveyors are now working on location of the new road to be built between Cloverdale and Hopland, along the east bank of the Russian river. Starting in at McCray hill, they have selected a route across that barrier a little to the west of the present road or other roads which have crossed the hill. The new route runs in a line nearly straight, from the end of West street, Cloverdale, to a point about where the present road enters Oat Valley at Little's Service Station. This route selection means a very deep cut through the hill and a splendid piece of road building. Surveyors are now working a short distance north of Echo station.

J. W. Stutsman, constable of Sanel township, was a business visitor here Monday morning.

R. E. Roach, state forest inspector, was registered at a Santa Rosa hotel Friday evening.

Granville Libbey, of Middletown, Lake county, was a Palace Hotel guest while here Friday as chief installing officer for Pomona Grange and its three branches at Ukiah, Redwood Valley and Potter Valley.

Fred Nassie and Jim Duncan returned this week from Sacramento where they attended a school of instruction for Frigidaire salesmen. Both men are employed by R. E. Enright, of this city, local Frigidaire dealer.

Last Respects Paid By Many To Pioneer Lady

Funeral services were held here Monday afternoon at two o'clock for Mrs. A. E. McCombs, aged pioneer mother of Mendocino county, who passed away at her home in this city. The service was held at the Baptist church at two o'clock and was largely attended. Mrs. McCombs was the mother of four children, Mrs. Annie Cook, Charles and Henry Bucknell and Mrs. Dovey Foster. For many years the family home was in Round Valley where the estimable woman enjoyed the esteem of everyone. She was 80 years old and besides her children is survived by her husband, who is 93 years old, and a large number of grandchildren and other relatives.

Big Suit Was Tried Before Judge Jones

Attorney M. H. Iversen returned yesterday from Lakeport where, with Attorneys Arthur Houston, of Woodland, T. W. Bielou, of Willows, he appeared for the defense in the case of Barcelou vs. Freeman, involving a deed of trust controversy of $58,000. Marshall Nouckolls, of San Francisco, George Freeman, of Orland, and Herbert E. Keeling, of Lakeport, were for the plaintiff.

Lake County Man Is Held To High Court

Acting as Special Attorney General M. H. Iversen, who was delegated to serve for the state of California by Attorney General U. S. Webb, on Monday represented the state in the criminal case against A. R. Crawford, brother of District Attorney H. G. Crawford, of Lake county, who is charged with grand theft. Mr. Crawford had his preliminary hearing before Justice N. C. McLeod at Lakeport and was bound over in the sum of $2000.

WILL RUN AGAIN

The announcement is A. L. Patton, constable of Big River township, will seek re-election.

Miss Nettie Taylor, assistant cashier of the Bank of Italy, was in San Francisco on a short visit recently.

G. M. Miller attended installation of officers at the Boonville Odd Fellows lodge Saturday night.

RUNAWAY LADS APPREHENDED BY OFFICIALS

Pair Left A Note Saying They Were Going South, As Ruse

TIP PROVED TO BE TRUE

Fact One Boy Had Formerly Lived At Willits Helped Search

Picked up by city police at Willits who were notified to be on the lookout for them two Santa Rosa boys were held in the northern city until the arrival of relatives from Santa Rosa.

Wrote Mother A Note.

The boys disappeared from school at Santa Rosa early last week. The younger boy, Wallace McDonald, 16 years old, left a note addressed to his mother, Mrs. Charlotte McDonald, in which he intimated he was going south. However, it was known Sherman Polley, 20 years old and companion in the adventure, had formerly resided at Willits and officials surmised the boys would head that way and promptly notified the sheriff's office here to be on the lookout for them.

Had Right Hunch.

That the intuition was well based was proven Thursday when Sheriff R. R. Byrnes got word from Willits the boys had arrived there. He immediately notified the Sonoma county sheriff and Mrs. McDonald made arrangements to have her errant son taken home.

C. L. James, of Anderson Valley, who has announced himself a candidate for county assessor, was in town the last of the week, returning to his home Saturday.

Local Residents Will Make Long Auto Trip

Mr. and Mrs. J. M. McKenzie have started on a long auto trip, a part of which will include an extended stay at Palm Springs. It will be recalled that, several years ago, Mr. McKenzie and his wife went to Florida by auto and afterwards turned north and traversed several of the central states before returning to Ukiah. They will be absent from the city four months.

NED SHEEHY'S DAYS ARE OVER

Death Takes Ft. Bragg Man Who Led Colorful Career

Ned Sheehy, for two score of years a colorful figure in Fort Bragg community life, passed away at the county hospital last week. The aged man, a native of Ireland, had been a patient at the institution three years. He was 67 years old and for many years was employed about the Windsor Hotel in Fort Bragg, particularly during the time it was operated by Mrs. W. Rushing.

Buried On Coast.

The body was shipped to Fort Bragg where interment was looked after by Fred Perkins, who befriended the likeable man for many years.

Willits Driver Held In Santa Rosa Jail

C. W. Kettle, 35, Willits rancher, was held to answer to the superior court on a charge of driving an automobile while intoxicated. Preliminary examination was held before Judge Marvin T. Vaughan in justice court in Santa Rosa. Mr. Kettle was arrested in Cloverdale several days ago and has been held in default of bail.

HE FOOLISHLY PUT GASOLINE INTO A STOVE

Willits Man Had Narrow Escape Following Rash Act

SUFFERS MANY BURNS

Passer-By Saved House From Catching Fire By Using Sacks

James Dewar, of Willits, attempted to speed up a fire in his stove Thursday by pouring a little gasoline on it and as a result had a very narrow escape.

Clothes Caught Fire.

The fire ignited the gasoline, which was in a crockery jug, and also set Mr. Dewar's clothes ablaze. Mr. Dewar threw the jug outside the door and rushed through another door to extinguish the fire on his clothes. The jug of gasoline made a spectacular fire for a few seconds and charred the door frames and broke a window or two. Clifford Steele, who happened to be near, picked up some old sacks and beat the flames out before the fire department arrived. Mr. Dewar suffered burns on his hands. The damage to the building was small and covered by insurance.

Abalone Season Has Closed For Season

The abalone season closed January 14 and epieures may not enjoy their favorite shellfish until March 16, when the season will again be open. A large number of valley folk availed themselves of the last-minute chance to secure the succulent sea food.

Upper Lake Boy Will Die On The Gallows

Alfred Boss and George Davis, convicted of murdering Clifford Carey, a grocery store clerk, in a holdup near Sacramento November 18, were sentenced to die on the gallows at Folsom prison March 21. Alfred Boss is well-known in Mendocino county, having visited here frequently while living at Upper Lake, where he long resided.

MUCH SAVING HAS RESULTED

Forestry Department's Truck Prevented Forest Destruction

Pointing to the efficiency of the fire truck maintained here last year by the state forestry department M. B. Pratt, state forester, has ordered four additional trucks for work during 1930. This will give the state eight fire trucks and it is presumed, inasmuch as the truck operated here proved a little too heavy for the mountain roads, one or more of the trucks ordered will be built to suit the needs of this section.

Was Shipped South.

The fire truck used here last year, while doing much valuable work in suppressing forest fires, was deemed unfit for this section by reason of its weight, and was ordered south.

A Worthwhile Investment.

It has been estimated by Mr. Pratt the forestry division's fleet of four trucks saved approximately $400,000 worth of property from destruction last year.

BOTH DISQUALIFIED

Judge H. L. Preston traded judicial benches with Judge Ben Jones, of Lake county, last week, each judge being disqualified to sit in his own court. This week Judge Preston will preside in the superior court of Humboldt county for several days.

WARRANT OUT FOR UKIAHAN —CAR IS HELD

Local Painter, Failing To Appear For His Trial, In A Jam

BENCH WARRANT ISSUED

Car, Left As Security, Is Liable To Confiscation

Failure of Joe Walkney, Ukiah painter, to appear in superior court at Santa Rosa for arraignment on a drunk driving charge, resulted in Judge Ross Campbell, of Sonoma county, issuing a bench warrant for the arrest of the man for contempt of court. Bail was set at $250 on the warrant.

Car Is Being Held.

Mr. Walkney was arrested in Cloverdale on the night of December 26. Following preliminary hearing at Cloverdale, in which he was bound over to the superior court for trial, Mr. Walkney was released by Cloverdale authorities, who held the man's car to guarantee his appearance in court Friday and the arraignment was continued until today.

Round Valley Citizen Road Advocate, Here

George M. Biggar, of Round Valley, who is Round Valley's best booster and road champion, was in town during the past week on private matters. Mr. Biggar has definitely decided to make the race for the assembly and will make a vigorous run for the place. Mr. Biggar would be an ideal member of the lower house. He makes an excellent address, is well-informed on all state issues and has long been recognized as one of the county's leading workers for good highways.

VICTIM DIED

Manuel Costa Fayal, injured Tuesday, January 7, while working in the camp of the Mendocino Lumber Company, succumbed to his injuries Wednesday at the Redwood Coast Hospital. A wife and several small children, residing at Mendocino, survive.

Mrs. R. D. Withrow's Sad Mission Is Over

Mrs. R. D. Withrow returned recently from Walla Walla, Washington, where she was called by the death of her father, who was mayor of the northern city. The funeral service, under the auspices of the Masonic lodge, was a very large and impressive one. Mrs. Withrow is a member of the faculty of the Redwood Valley school.

HE REMEMBERS "GREAT STORM"

Carl Purdy Recalls A Real Winter Of The Long Ago Days

Carl Purdy was in town Monday and reported about 12 inches of snow had fallen at The Terraces during the beginning of the storm and up to eight o'clock Monday. Inasmuch as heavy snow fell Monday the depth of the snow must have been considerably greater since then.

The Big Storm.

While in The Republican Press office Monday Mr. Purdy became reminiscent and related an interesting detail of the great snowfall of 1862, which Mr. Purdy did not personally experience but information of which he gained from Andrew Gibson, local hardware merchant, who recalled several feet of snow fell at the Gibson ranch which is now known as the Mann ranch. The snow crust formed by frost was so great the sno w lay for three weeks and so sharp were the frozen particles the legs of cattle were badly cut and bloody trails were left by them. It became necessary for ranch hands to cut down small trees and brush on which the surviving cattle found small sustenance and so a few were kept alive.

Another Record Fall.

In Mr. Purdy's time the heaviest snowfall he can recall came in 1889-1890 at which time Ukiah folk enjoyed sleigh rides for two days and the thermometer dropped to 12 degrees above zero. At that time seven

Mrs. T. A. Templeton has some excellent pictures of Ukiah's last big snow storm.

Mr. and Mrs. D. E. Mankins are home after a stay of several days in San Francisco.

E. E. Strider, Ukiah automobile distributor, was looking after business at Fort Bragg the past few days.

BAD BUSINESS LAME EXCUSE FOR PRISONER

Man, Explaining Why Non-Support Charge Came Up, Loses

WANTED TO BE HONEST

Jail Terms, Said Prisoner, Came Too Often For Him

William Gallagher, of San Francisco, held in jail in this city for non-support of his minor son, was frank with Judge H. L. Preston when he appeared in the superior court at Lakeport last week to show cause why his probation should not be revoked for default on the payment of $270.

Told His Troubles.

The prisoner admitted he was a bootlegger plying his trade in Oakland and San Francisco where his business has fallen off to such an extent by reason of the fact he served two jail sentences for violations of the Volstead Act he had been unable to earn sufficient money to pay the allowance ordered by the Lake county court for the support of the child. Evidently Judge Preston did not think the plea worthy of leniency and remanded the man to the custody of the sheriff of Lake county who brought him here to the county jail.

Supervisor Attends Hearing At Capital

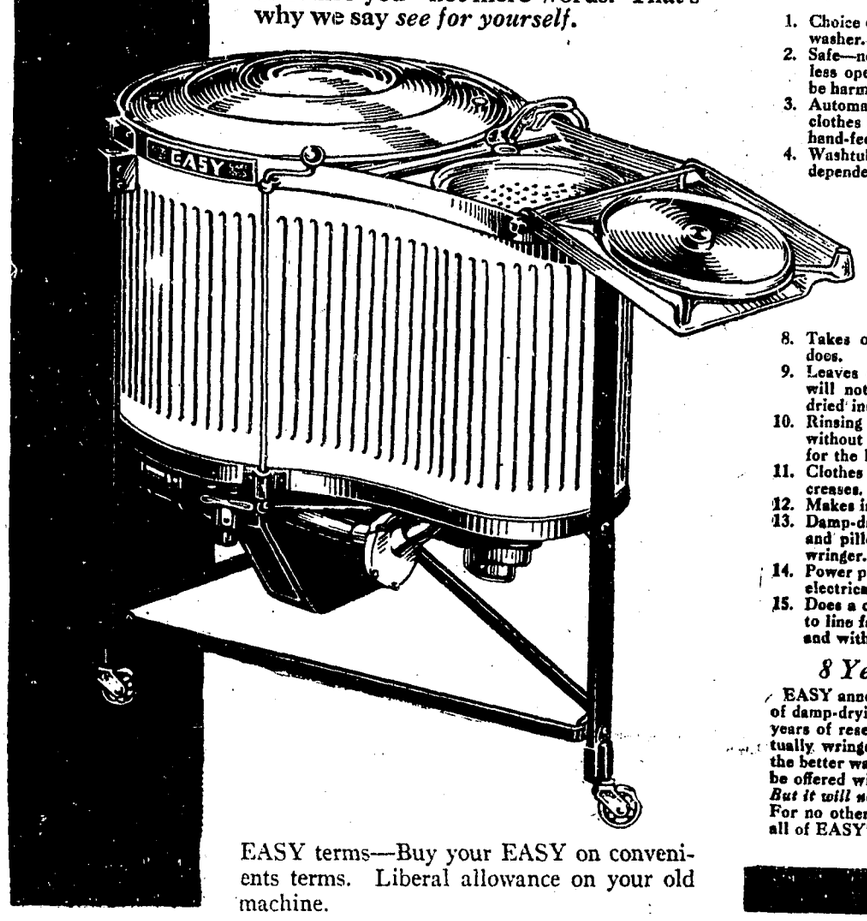
Charles R. Perkins, of Fort Bragg, member of the Mendocino county board of supervisors, accompanied by Mrs. Perkins, left here Thursday for Sacramento where Mr. Perkins attended the hearing by the legislative commission for a revision of the district highway acts. The trip was made by automobile.

AFTER ABALONES

Mr. and Mrs. J. C. Trombetta passed a recent week end on an abalone fishing excursion to the Mendocino coast where they were joined Sunday by Mr. and Mrs. Everett Cox, Miss Evelyn Dalton and Mort Ellers. Three members of the group are on the faculty of the Ukiah union high school.

Free trial offer on *no-wringer* EASY WASHER

DON'T WAIT! Come in *today* and see this new EASY—or—phone for demonstration in your own home. Positive proof of EASY superiority will convince you—not mere words. That's why we say *see for yourself.*



Extra without extra cost . . .

1. Choice of Agitator or Suction Type of washer.
2. Safe—no exposed moving parts. Careless operator or curious child cannot be harmed.
3. Automatically damp-dries a tubful of clothes in less than two minutes. No hand-feeding—piece-by-piece.
4. Washtub and Damp-Dryer operate independently. Two batches of clothes handled at one time.
5. Places no strain on fabrics. Does not crack silk or rayon garments.
6. Leaves blankets and woolens fluffy and unstretched.
7. Breaks no buttons or metal fasteners.
8. Takes out more water than wringer does.
9. Leaves clothes evenly damp. Hems will not drip. Clothes can be line-dried indoors in bad weather.
10. Rinsing can be done in Damp-Dryer without handling clothes until ready for the line.
11. Clothes are free from deep, hard creases.
12. Makes ironing easier—reduces sewing.
13. Damp-dries bulky things like blankets and pillows that will not go through wringer.
14. Power pump empties all water for you electrically.
15. Does a complete washing from basket to line faster than any other washer—and without harmful short-cuts.

8 Years in Advance

EASY announced the centrifugal method of damp-drying three years ago—after five years of research and experiment. Eventually wringers will be eliminated on all the better washing machines, and they will be offered with some type of damp-dryer. *But it will not be an EASY Damp-Dryer.* For no other damp-dryer can incorporate all of EASY'S features.

EASY terms—Buy your EASY on convenients terms. Liberal allowance on your old machine.

Former Resident In A South American Flight

Walter C. Chester, who represented the Pacific Fruit Co. here last year, was sent by his company to South America last month and while in the Argentine country made a 500-mile airplane flight over the Andes. The flight was over one of the most hazardous stretches of country in South America with practically no emergency landing places available over the entire distance. While the trip was very dangerous, it was one of the most picturesque ever taken, as the plane cleared the Andes and offered an unusual view of the big mountain chain. Mr. Chester has returned to the states.

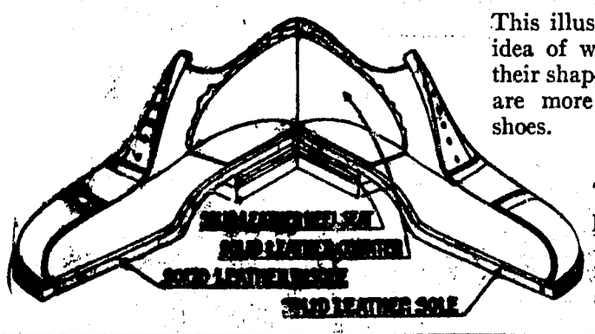
You Might Not Know a Counter From a Heel-lift

BUT YOU KNOW VALUE

Several million people go forth each day wearing STAR BRAND Shoes, very few of them, probably, could tell you why their shoes look so well for so long. But they can tell you any time the subject comes up, that they know they can buy better shoes for the price they are asked to pay. If you are not wearing STAR BRAND Shoes buy a pair and get a brand new idea of what shoe values can be.

The Parts You Never See



This illustration will give you a better idea of why "Star Brand" shoes hold their shape, look better, wear longer and are more comfortable than ordinary shoes.

The vital wearing parts—the parts you seldom see are solid leather; and leather is the best material from which good shoes can be made.

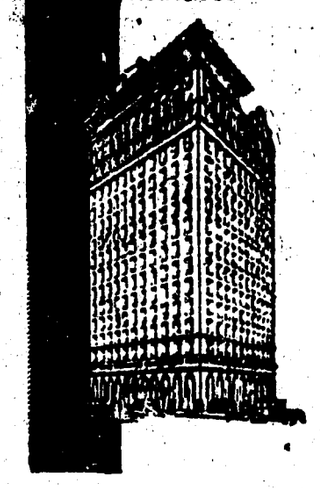
SAN FRANCISCO



HEAVY RAILS FOR N. W. P. R. R.

Pres. Maggard Continues Improving The Company Property

Beginning in April the Northwestern Pacific Railroad Company will lay 90-pound steel rails through this city beginning at a point near Largo and continuing through Ukiah and north to Redwood Valley. Orders for the new equipment have already been placed. This is the heaviest steel rail ever laid by the company and, when the stretch is finished, it will connect with Cloverdale on one end and Lahm, north of Willits, on the other thus providing 50 miles of heavy rails on the main line between San Francisco and Eureka.

Has Right Ideas.

The work on the road is in line with the Northwestern Company's policy of continually improving the road, according to President E. H. Maggard, who asserts "It is only by maintaining the property in first-class shape a railroad can continue to give a high-class service such as is being given by the Northwestern Pacific Railroad."

GOITRE REMOVED

Titusville Minister's Wife Saved An Operation, Wants Others To Know.

Mrs. F. N. Baker, Star Route, Titusville, Pa., says: "Feel I am doing real missionary work when I tell how my goitre was removed with Sorbol-Quadruple, a stainless liniment. My eyes, heart and nerves were in a bad condition. Felt no ill effects from the treatment. Glad to tell or write my experiences."

Sold by leading druggists or write Sorbol Company, Mechanicsville, Ohio. Locally at Gibson's Drug Store. (Advt.)

INSURANCE CO. WAS ORDERED TO PAY CLAIM

Fidelity & Casualty Co. Seeks To Evade Payment Of Policy

LAKEPORT WIDOW WINS

Court Overrules Technicality In Dr. Griner's Case

Mrs. Mary S. Griner, whose husband, Dr. Oliver T. Griner, Lakeport dentist, died last March of a heart attack induced by fright caused when his pet dog jumped at him viciously and bit him, last week won judgment for $32,000 in the federal court at Sacramento on an accident insurance policy.

Tried To Evade Payment.

Dr. Griner held a $30,000 accident policy of the Fidelity and Casualty Company, of New York, but the company declined to pay on the ground death was not accidental, but caused by heart disease and the decision, given in the federal court, where the action was tried because it was against a "foreign" or non-California corporation, was for the full amount together with interests and costs.

Story Of The Case.

It will be recalled Dr. Griner, who was well known here, arose from his bed to quiet the animal which was barking and howling in the yard of the Griner home and as he approached the dog leaped at him, inflicting a minor wound with its teeth. The professional man recoiled and entered his home trembling and frightened. He died shortly thereafter from heart failure.

State's Unfortunates Are On The Increase

According to a report filed by Earl E. Jensen, director, department of institutions, there are 24,316 persons confined to state institutions, of whom 16,644 are males and 7,772 are females. There are, in addition, 5,528 persons on parole, making the total enrollment 32,294 wards of the state, an increase of 310 on the rolls and a total increase of 215 persons in institutions for the last quarter of the year.

HAD FIVE STROKES

E. B. Gibson, prominent local druggist, returned last week from Los Angeles where he was called by the illness of his brother, Dan Gibson, former local resident, who served Mendocino county on two occasions as county treasurer. The Los Angeles man has suffered five strokes of paralysis and but little hope is held out for his recovery.

HAS BEEN ILL

Leonard Larsen, assistent superintendent of Mendocino county schools, has been confined to his home two weeks by an attack of influenza.

Romer Vista Herd Is Showing Fine Animals

In a recent test held at Point Arena and Ukiah dairies the Romer Vista Dairy, of this city, had one Jersey cow producing 72 pounds of butterfat in 30 days. The Romer Vista herd, in milk tests, averaged 5.08 per cent and in butterfat tests averaged 36.04 pounds. The showing will be much better in another month when young heifers are fresh, according to Mr. Romer who, naturally, is proud of the fine record made by his thoroughbred stock.

Great Outpouring At Funeral Of A Jurist

A cortege, two miles long, followed the body of Judge Claud F. Purkitt to its last resting place in Willows cemetery January 14. Judge Purkitt, who represented this senatorial district two terms, married an Upper Lake girl, Miss Mabel Johnson, and beside his wife is survived by a son, Claud Purkitt, Jr.

Many Ranchers To Use Tile To Drain

W. L. Crawford, of Largo, has just completed delivery of 2800 feet of 12-inch tile drainage pipe to ranches in Scotts Valley, Lake county. The contract also called for between 3000 and 4000 feet of smaller tile laterals in the system, the laying of which was completed last week. The ranches involved in the contract are those of R. A. Price, Bert Eachus, Burdette Patten, Waverly Simpson and J. W. Morris.

Dan H. Phillips, employed on The Fort Bagg Advocate, was in the city a short time Saturday afternoon.

2 ADDITIONAL MEN EMPLOYED

Traffic Patrol To Be Increased—Night Duties Require It

For the purpose of organizing a night patrol in the state highway system the board of supervisors of Mendocino county were permitted last week to submit the names of two candidates for patrol positions and to name two alternates. Those selected were M. Williams, of Willits, whose alternate is R. White, of the same city, and J. Randolph, of Fort Bragg, with R. Woodward of the same coast city as alternate.

Must Pass Test.

The requirements for the job are: Age limit between 23 and 36 years, clean character, good physical condition, previous experience riding motorcycles. The Mendocino county appointees will be required to go to Sacramento and pass a civil service examination. The night patrol will travel in automobiles and two officers will work together in each county. In all it is said 30 applications for the job were filed with the Mendocino county board of supervisors.

LAKE COUNTY PEOPLE HERE

Among Lake county people doing business here during the week were Frank Wilkinson, Hazen Capps, Frank Elliott, of Middletown; Mr. and Mrs. R. E. Dashiell and children, A. W. Ray, Mrs. Nellie Price, Claud Woodward, Mrs. Elsie Robbin and Miss Edith Woodward, all of Scotts Valley.

How To Darken Gray Hair

Makes One Look Younger.

Men and women who used to be called Grandpa and Grandma are now setting the styles by darkening their gray hair at home.

For instance, J. A. McCrea, a well-known Californian, recently made the following statement:

"Anyone can prepare a simple mixture in five minutes, that will darken gray hair, and make it soft and glossy. Merely take a half-pint of water, add one ounce of bay rum, a small box of Barbo Compound, and ¼ ounce of glycerine.

These ingredients can be bought at any drug store at trifling cost. Apply to the hair twice weekly with comb. It does not color the scalp, is not sticky or greasy and will not rub off." (Advt.)

Shell Oil Man Dies At The Ukiah Hospital

Funeral services for Perry D. Malm, employe of the Shell Oil Company who passed away here Thursday morning at three o'clock, were held at Santa Rosa Saturday morning at 10 o'clock. Interment was at Cypress Lawn Cemetery in San Mateo county. The death of Mr. Malm, who had resided here with his young wife about a year, was particularly sad. Stricken with an intestinal ailment he submitted to an operation late Wednesday but failed to rally and passed away a few hours later at The Ukiah General Hospital.

Leonard Stone, Fort Bragg attorney, was here Saturday afternoon on legal matters.

A. D. Johnston, prominent coaster and a man who is intensely interested in the state acquiring a parksite on the Mendocino coast, was here for a few hours Saturday.

DUCK HUNTING FOR YEAR OVER

Bag Limit Will Be Reduced Next Season From 25 to 15

The open season on ducks ended at midnight January 14 and it is now unlawful to shoot the birds. Beginning next season the bag limit on ducks will be reduced from 25 to 15 of the game birds.

A Poor Season.

It is reported the season just ended has been the poorest in history owing to the lack of rain at the beginning and too heavy rains later. In Mendocino county the sport is poor at best, but few birds flying over and local hunters look to the Sacramento valley rice fields for their sport.

Tree Planting Will Be Started On Highway

Deals for eight strips of land, 10 feet wide, along the Redwood Highway in Sonoma county, were closed last week by the state for the purpose of planting scarlet flowering hawthorne trees along that thoroughfare and it is reported 27 other owners of land adjoining the highway are co-operating fully with the Santa Rosa Chamber of Commerce and the Rotary Club's inter-organization committee which started the tree-planting movement, realizing the value the trees will add to the property bordering the Redwood Highway. Trees for the planting will be supplied free of cost by the state as soon as the necessary land, to prevent planting too close to the highway, is secured.

What ideal's behind your telephone?

Your familiar telephone—what's behind it? 67 million miles of wiring, thousands of switchboards and central offices, 20 million other interconnected telephones, a great investment, an army of people—are these all?

More than all these, there's an *ideal*. This ideal is, *that anyone, anywhere, shall be able to talk quickly and at reasonable cost with anyone, anywhere else.*

Seventeen words! Yet they express a tremendous vision of service.

PENSION JOBS ARE CUT OFF

Supervisors Abolished Sinecures For 2 Justices Of Peace

At the January meeting of the board of supervisors the contract for supplying fuel oil to the courthouse was awarded the Pioneer Oil Company, one of two bidders. It is estimated, at the contract price of 5½ cents per gallon it will cost $700 to heat the building during the year. Another action by the board awarded the contract for the burying of the indigent dead to L. P. Anker, who will receive $27.50 per person for his service.

Lopped Off Expense.

An important economic move was the combining of the Potter Valley judicial township with that of Ukiah and the Westport township with that of Fort Bragg, which will abolish the offices of justice and constable in Potter Valley and Westport. Another important move by the body was the instruction of the district attorney's office to co-operate with the agricultural commission looking to the framing of an ordinance to control more completely the pear blight situation in the county.

SUMMONS
C. C. P., Sec. 844-845.

In the Justice's Court of Ukiah Township, County of Mendocino, State of California.

R. Weil, Plaintiff, vs. Frank E. Jones, Defendant.

The People of the State of California send Greeting to: Frank E. Jones, defendant:

You are hereby diercted to appear before me at my office, at 208 North School street, in said Township, and answer the complaint in an action entitled as above, brought against you in the Justice's Court of Ukiah Township, County of Mendocino, State of California, within five days after the service on you of this summons—if it is served within the city and county, township, or city in which this action is brought, but within ten days if it is served out of said township or city but in the county in which the action is brought, and within twenty days if served elsewhere.

And you are hereby notified that unless you so appear and answer as above required the said plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or he will apply to the court for the relief demanded in the complaint.

Given under my hand this 23rd day of November, 1929.

300 SECURED 1930 LICENSES

Instead Of Sending To Capital Autoists Are Served Here

There was no particular rush for 1930 auto plates here although E. W. James, local representative of the California Automobile Association issued 300 sets of plates during the month. Motorists have until January 31 to put the 1930 license plates on their cars, but those who have not yet applied for the licenses are subject to arrest and fine, according to officers of the California Highway Patrol. If a driver can show he has made application for the new license plates that is all that is necessary until the end of the month.

Sickly Boy, 7, Gains 15 Lbs.—Father Happy

"My boy, 7, would not eat. I gave him Vinol and the way he eats and plays now makes me happy. He gained 15 pounds."—J. F. Andres.

Vinol is a delicious compound of cod liver peptone, iron, etc. The very FIRST bottle often adds several pounds weight to thin children or adults. Nervous, easily tired, anemic people are surprised how Vinol gives new pep, sound sleep and a BIG appetite. Tastes delicious. — Morris Drug Co. (Advt.)

AGED PLEA TO FACE A DELAY

Applications For Pensions Will Be Considered In July

About 56 of the 105 applications for state aid for aged indigents in Mendocino county were favorably acted upon at the January meeting of the Mendocino county board of supervisors last week. Of this number 25 were absolutely denied and 24 were continued without prejudice.

Long Wait Ahead.

The claims will now be forwarded to Sacramento and it will probably be July before the claims are permanently granted and the monthly allowance paid. Mrs. Martha Toles, social agent of Mendocino county, prepared the list for the supervisors from applications filed at her office.

REAL KICK IN A CONVICTION

Sentence Will Compel "Fat" Nelson Now To Mind Step

"Fat" Nelson, local resident, was last week found guilty on six out of seven counts for operating a percentage game when he appeared before Judge John Hoffman. On the first count Mr. Nelson was acquitted.

Must Be Careful.

He was fined $100 on the second count and placed on probation of six months on each of the five other counts, the terms to run consecutively, which means Mr. Nelson must be on his good behavior for two and one-half years, or else violate the terms of the sentence which would prove a serious matter.

SORE THROAT? DON'T GARGLE

This Doctor's Prescription Gives Quicker, Better Relief

Don't suffer the pain and discomfort of sore throat. Use a doctor's prescription called Thoxine, guaranteed to relieve with the very first swallow. Gargles and salves are too slow and if they do relieve, it is usually only temporary.

Thoxine has a double action—it relieves the soreness and goes direct to the internal cause. It contains no harmful drugs and is safe and pleasant for the whole family. There is nothing better to stop coughing due to irritated throats. Just ask for Thoxine, put up ready for use in 35c., 60c., and $1.00 bottles. Money back if not relieved. Sold by Gibson's and all other good drug stores. (Advt.)

Local Residents Will Move To Healdsburg

Mr. and Mrs. E. A. Evahn are planning to move to Healdsburg within a short time, having purchased a home in that city. The plan is to operate a service station in Healdsburg, which it is understood, Mr. and Mrs. Evahn have already acquired. The departure from Ukiah will likely take place some time in March.

MERCHANT ON VISIT

H. E. Lieurance, head of the Lieurance Stores in Petaluma, Santa Rosa and this city, was here on business matters last week, returning later to his Santa Rosa home.

Will Placer Mine In Calavaras Probably

T. D. Ruddock, of Anderson Valley, was here the first of the week and stated he would probably go to Calavaras county and associate himself with others in the operation of a placer mining venture in that section. Unless something unforseen develops, Mr. Ruddock said, he would purchase a considerable amount of machinery at once for use in the mining in Calavaras county.

HE MAY RUN

A report prevails Byron G. Gowan, who ran for assessor at the last election and made a most excellent last-minute showing, will make the race again this year. Mr. Gowan is a rancher of Anderson Valley.

A THRIFT DAY PROGRAM GIVEN

P. T. A. Of Hopland Is Sponsor For Clever School Affair

(Special Correspondence of The Press)

HOPLAND, Jan. 21.—The recent meeting of Hopland Parent-Teachers' Association was featured by a thrift program in observance of "National Thrift Week." Amy Bogardus read a short biography of Benjamin Franklin and Principal Arthur Hover, of the grammar school, made a talk on how thrift may be observed at school. The students of the grammar school have been collecting tinfoil for the Shriners' Hospital, San Francisco, and Joan Lortz was awarded first prize for gathering 60 pounds. Lewis Harpe and Elijah Dooley, who worked jointly, won the boys' prize. Estelle Alvarez closed the program with a piano solo.

Had A Food Sale.

The Parent-Teachers' Association held a food sale Saturday morning at the library.

Underwent Operation.

Miss Nellie Teal, teacher in the McDowell Valley school near here, passed part of her holiday vacation in the hospital recuperating from an appendicitis operation. Miss Teal, who resides at Willits, has been able to assume her duties as instructor again.

Bud Beattie returned recently from Upper Lake with 400 head of sheep he purchased there.

To Open Bids.

February 1, at eight o'clock in the evening, the trustees of the Hopland union high school will open bids for the 1930 supply of wood for the school. Information on the specifications may be sought of H. D. Hildebrant, principal, at Hopland.

Saw The Beautiful.

Many Hopland people motored to the summit of the Hopland-Lakeport grade last week to enjoy the snow.

Miss Mary Graham, teacher of music in the schools here, motored to Oakland recently to pass the week-end with relatives.

Robert Harmon left here recently to enroll as a student at the San Francisco State Teachers College.

Frank Williams motored to Santa Rosa on a recent Saturday for a brief business visit.

Frank Howell, Jr., of Palo Alto, was a recent visitor here with friends and relatives. Mr. Howell formerly resided here and was graduated from the local schools.

Has Been Sick.

Mrs. J. E. Shields, of Largo, is recovering from a recent serious attack of influenza.

Loran Post, employed by the Leppo & Churchman ranch here, was a recent visitor to Santa Rosa for a few hours.

Sold A Ranch.

John Heylund, former local resident, recently sold a place at Pieta to Dini Filupini, of Los Angeles. The price was $2000.

Mrs. Juanita Weatherby, of San Francisco, has been a guest in the home of Mr. and Mrs. Allan Cooper.

Visited Old Home.

Mr. and Mrs. R. E. Shimmin recently made a two-day visit at their former home at Willits. Mr. Shimmin is cashier of the Hopland branch of the Savings Bank of Mendocino County.

Methodist Church Services.

Presiding Elder Sims, of the Methodist church, was here recently to hold church services. His next sermon here will be delivered Sunday, February 9, and local residents are advised to keep the date in mind.

Harry Owsley, of Potter Valley, recently visited at the William Owsley home near Largo.

Saw The Game.

A number of Hopland fans attended the Hopland-Clear Lake union high school basketball game at Lakeport recently. The locals lost the hard-fought game to their opponents by a score of 17-14.

Mrs. William Blake enjoyed a visit recently from Mr. and Mrs. Jesse McAllister and family and Mr. and Mrs. Malcolm McAllister, of Compton. The two visiting matrons are daughters of Mrs. Blake.

Miss Mary Tolman had as a recent guest Miss Bernice Lawrence, of Ukiah.

Were At Willits.

A party of local residents, including Mrs. F. J. Tolman, Miss Mary Tolman, Floyd Mann and Bernice and Carroll Lawrence, of Ukiah, passed a recent holiday visiting at the home of Mr. and Mrs. Clifford Steele, at Willits. Mrs. Tolman is the mother of Mrs. Steele, who was here Saturday to pass the evening with Mrs. Tolman.

Lincoln Heffiin enjoyed a week-end at Healdsburg with his parents, Mr. and Mrs. William Heflin.

Lloyd Van Allen was a business visitor to Santa Rosa recently.

Oliver Tolman and wife, of Washington, visited several days recently at the Frank Tolman home. The two men are brothers.

George Ley, local aviator, motored to Santa Rosa recently with Mr. and Mrs. Jesse McAllister and family.

Had Benefit Dance.

A Boy Scout benefit dance was held here Saturday evening in the high school auditorium. A Ukiah orchestra furnished the music. Tickets were $1.00 per couple and refreshments were served. The dance proved a very successful one.

Chris Loretz Is Dead.

Word reached here last week of the passing of Chris Loretz, a former resident of East Hopland who died at his home in Oakland, Sunday, January 12. Funeral services for Mr. Loretz were held at Fruitvale Tuesday, January 14, with interment in Evergreen cemetery.

Born In Switzerland.

Mr. Loretz was born in Switzerland May 25, 1861. He came to America when a young man and settled on a ranch in East Sanel about 1885. Here his five children were born. Mr. Loretz continued ranching and later owned a blacksmith shop, until 1905, when the family moved to Oakland where the home has since been maintained. Mr. Loretz was ill four months as the result of paralysis.

The Surviving Family.

Surviving the highly respected pioneer are the wife, Catherine Loretz, and five children as follows: Mrs. Ann Franke, Mrs. Mary Weidenback, Mrs. Alice Baker, Chris J. and Henry L. Loretz, all residents of Oakland. Mrs. Baker, the youngest daughter, formerly resided at Ukiah. She is the wife of Harold Baker, automobile salesman and son of Mr. and Mrs. E. C. Baker, of Ukiah. The funeral service for Mr. Loretz was largely attended and many beautiful floral tributes to his memory were sent by a large circle of friends.

Mr. and Mrs. J. M. McKesson are home from a visit with relatives at Lodi.

GOES TO RICHMOND

SOCIETY AND CLUBS

ROYAL ARCH INSTALLS

Carl Barnard, Grand Scribe of the Grand Chapter, Royal Arch Masons of the State of California, and D. W. Douglas, newly elected Commander of the Knights Templar at Santa Rosa, were the installing officers for Ukiah Chapter No. 53, Royal Arch Masons, occurring last Saturday evening. Preceding the ceremonies, a banquet was served in the Temple by the Methodist ladies, who deserve much praise for the bountiful quality and the neat table coverings appropriate in Royal Arch colors. C. A. Bernhard placed at the disposal of chapter members his very latest RCA combination model radio, which furnished the dinner hour musical program including a choice selection of Red Seal records. The following officers were duly installed: Walter Brown, high priest; William Davis, scribe; William Bromley, treasurer; Carl W. Palmer, secretary; Fred Dart, captain of the host; Fred Waugh, principal sojourner; Walter Sandelin, Royal Arch captain; T. M. Cleland, master third veil; Elmer Haskin, master second veil; John Finne, master first veil; Alex Kauhanen, sentinel.

PLAN MUSICAL TREAT

The choral section of the Saturday Afternoon Club, under the direction and leadership of Mrs. Alfred Ploda, will stage the Chinese operetta "My Maid On The Bamboo Screen," and rehearsals are held regularly for the presentation Friday evening, March 7. The musical event will probably be held at the new high school auditorium, which is ideally arranged for such a production. The cast includes a group of principals, a large chorus and juveniles. The chorus will be made up of high school girls while the principals will include Miss Virginia Herron, Mrs. R. R. Byrnes, Miss Frances Rea, Mrs. I. M. Brazier, Mrs. B. A. Cober, Mrs. J. H. Hansen, Mrs. J. H. Martensen. Juveniles include Misses Betty Brazier, Marion Hansen and Jean Thornton. Mrs. Louis Hildreth will read the prologue and act as announcer. Stage settings and properties will be looked after by Mrs. Rena B. Stout and Mrs. Martensen. The affair will be elaborately costumed.

OF UNUSUAL INTEREST

The meeting of the Parent-Teachers' Association Tuesday evening of last week was largely attended and of unusual interest by reason of the fact the Lieurance moving pictures of an African big game hunt were shown. The showing was of great educational value and the pictures were remarkably clear in outline. H. E. Lieurance, who was a member of the famous hunting party, operated the projecting machine and explained details of the trip. He was assisted by his son, Rex. Lieurance. Prior to the showing Dr. Robherd Thomas sang two vocal numbers. Mrs. Mayme Taylor, president, conducted the meeting.

KOSMOS CLUB PLANS

The Kosmos Club will meet Thursday at their headquarters in West Henry street. Mrs. Lillian McPeak will preside and Mrs. Frank La Porte will be in charge of the program, which is listed as a travelogue in costume. The hospitality committee includes Mrs. Laura Shattuck and Mrs. Perle Crawford. The club will hold a sale of cooked food and aprons at the Home Meat Market in South State street and at the meeting Thursday will complete plans for the St. Valentine dance to be held Friday evening, February 14, for which score cards will sell at 50 cents each.

SEAT OFFICERS

Friday evening, at an impressive ceremony, Ukiah Parlor, Native Sons of the Golden West, installed officers following which a banquet featuring chicken pie, was enjoyed. Edward Zimmerman, district deputy, was the installing officer. Those inducted into office were John Freitas, junior past president; H. J. Zimmerman, president; Albert Bechtol, first vice-president; A. W. Frey, second vice-president; Sidney J. Smith, third vice-president; Alfred Ploda, marshal; Carl Daubeneck, outside sentinel; Joe R. Figone, inside sentinel; Selma Wurtenberg, trustee; Ben Hofman, secretary; A. D. Scott, treasurer; A. L. Tracy and Fred Figone, trustees.

DINNER AND BRIDGE

Mr. and Mrs. Mark Carpenter opened their hospitable home in East Clay street to the members of their dinner and bridge club Monday evening. The event centered around the natal day of Dr. Hansen in whose honor a birthday cake was served and who was presented with a set of golf balls by his fellow members of the club. The menu featured roast duck from which the table setting for the dinner borrowed its theme. A miniature duck pond was arranged as a central decoration around which bathing beauties were gathered while a wise old duck looked on approvingly. Score favors at the bridge game following the dinner were presented to Mrs. A. L. Harris, Edward A. Eversole, Mrs. A. B. Martin and Dr. J. H. Hansen.

INSTALLED OFFICERS

Tuesday evening, January 14, the Ukiah lodge of Odd Fellows installed officers at their headquarters in North State street. The following grand officers were in charge of the installation ceremonies: G. M. Miller, D. D. G. M.; Byron Gowan, G. M.; Orville Hull, G. W.; Lee R. David, G. S.; George David, G. F.; Ed Zimmerman, G. C. Included in the list of officers inducted into office were George P. Johnson, A. P. G.; George David, N. G.; Guy P. Joslin, V. G.; Chris Bruns, secretary; Julius Roller, treasurer; McSpadden Miller, W.; H. J. Zimmerman, C.; Orville Hull, R. S. N. G.; Claud Heryford, L. S. N. G.; Lee David, R. S. V. G.; F. Dean, L. S. V. G.; E. C. Baker, I. G.; Thomas Linn, O. G.; J. W. Butts, R. S. S.; G. M. Miller, L. S. S.; N. Beckley, chaplain. Following installation refreshments were served in the banquet hall.

PROSPECTIVE PARTY

January 29 the Saturday Afternoon Club will again open the commodious clubhouse to the public at a bridge party. The affair will be held in the evening. Mrs. E. J. James is chairman of the committee of arrangements while Mrs. Edward A. Eversole, Phone 106-J, is in charge of table reservations. Fifty cents per person covers the cost of the entertainment of the evening.

FOR BRIDGE CLUB

The Fortnightly Bridge Club met Friday afternoon at the home of Mrs. Guy Redwine for the usual game of bridge and a tea service. Mrs. Earl Ford substituted for Mrs. E. S. Masters and won the score favor.

FOR FELLOW WORKER

Tuesday evening of last week the employes of the Lieurance Department Store of this city arranged a party in honor of Miss Lucile Moore, who left shortly afterward to enter the employ of the Lieuranec Department Store at Santa Rosa. The affair was held at the Moore home in Clara avenue. Those present included Mr. and Mrs. Harold Erskine, Mr. and Mrs. Jack Goudge, Mr. and Mrs. John Cooper, Mrs. Carrie Van Voast, Mrs. Helen Jung.

CLUB MET AT DINNER

Mrs. Lottie Collins was hostess to the Business and Professional Women's Club at the Dolores Apartments in North State street Thursday evening following the dinner meeting of the organization of The Palace Hotel. The guests were entertained at bridge by Mrs. Collins, the score favors being presented to Mrs. L. H. Foster, club president, and Miss Joan Fraser. The club meets next week at dinner at The Palace Hotel at 6:30 o'clock.

CULTUS CLUB

A record attendance of members and an interesting literary and social program marked the meeting of the Cultus Club at the home of Mrs. Jas. R. Elder in Scott street Tuesday evening of last week. The major subject of discussion was of early sculptors, papers on which were read by Mrs. Winifred Mitchell and Mrs. Iva Mellis. Miss Perry contributed two vocal solos accompanying herself on the ukelele. Mrs. Lucy Seawell, charter and honorary member, was a guest of the evening. A two-course refreshment service was enjoyed at small tables by the score of members present.

METHODIST WOMEN MET

Mrs. J. H. Hansen offered her hospitable home in South Oak street for the January meeting of the Federated Methodist Women which occurred Thursday afternoon. The 16 newly elected officers of the organization served as the hospitality committee. Mrs. Hazel Ford presided. During the business meeting the organization pledged $1000 toward the building fund of the church. Owing to the length of the business session no program was offered. Refreshments of molded salad, sandwiches and coffee were served at small tables.

HERE FOR VISIT

Mrs. Eva Wright, of Vermont, arrived here last week for a visit with her cousins, Mr. and Mrs. George Cook at the family home on the river road. Miss Wright came west to escape the winter snows and shortly after her arrival witnessed the first snowstorm here in many years.

ON SOUTHERN VISIT

Mr. and Mrs. Fred Weldon left Wednesday for a motor trip to southern California. The local folk will be away a fortnight and will visit at the home of Mrs. Volney Seawell, sister of Mrs. Weldon, and with their son, Lloyd Weldon, former local resident, who holds a good position in Los Angeles.

TO HOLD CARD PARTY

On Saturday evening, February 8, the Catholic Ladies Aid Society will hold a public card party at St. Mary's social hall. Score cards will be 50 cents each, which will also include a supper service. The parties sponsored by the church society are always eagerly anticipated and give much pleasure here.

GRANGES INSTALL

Ukiah Grange was hostess organization at the joint installation of the Mendocino County Pomona Grange and the Granges of Ukiah, Redwood Valley and Potter Valley Friday evening at their headquarters at the Knights of Pythias hall in South State street. It is estimated 200 members were present when the four sets of officers were installed by Deputy State Master Grenville Libby, of Middletown, Lake county, assisted by Lillian Nassie, marshal; Dorothy Larsen, emblem bearer, and Sadie Swim, regalia bearer. During the installation of chaplain the tableaux, "Abide With Me," was beautifully staged. The Masters of the four granges follows: F. W. Swim, Pomona Grange; Charles Luce, Ukiah Grange; Fred Finne, Redwood Valley Grange; George Burkhart, Potter Valley Grange. During the impressive rites F. W. Swim, retiring master of Ukiah Grange was presented with a past master's jewel and Mrs. Bert Thomas retiring lecturer, received a handsome glass sherbet set. Another impressive tableaux of the evening, "Four Things The Grange Stands For," showed Helen Swim depicting Liberty; Evangeline Stanley as Religion; Mrs. F. Lawrence as Education, and Agriculture impersonated as follows: Dorothy Meek, Ceres; Dorothy Tolman, Pomona; Bernice Lawrence, Flora. The supper service was in charge of a committee headed by Mrs. E. McCorrison. The color scheme of the table was in a winter suggestion of white and green.

JUNIORS PLAN PROGRAM

Saturday afternoon at the club house the Saturday Afternoon Club was entertained by the Juniors of the organization who, under their leader, Miss Frances Moulton, staged a very creditable and entertaining program including a playlet, a fancy dance by a group of girls and a piano solo by Helen Pauli. The usual tea service followed the entertainment which was enjoyed by 60 members.

MUSICIANS "TREAT"

Following the regular weekly rehearsal of the Ukiah Male Chorus Monday evening at the elementary school auditorium the meeting was converted into a supper service at which the men of the chorus were hosts to the boys. In all covers were laid for 84 members of the chorus working hard, under the direction of Hugh Harvey, for the annual minstrel show to be hold at a date in April to be set later.

KINGSLEY CHAPTER

At the semi-monthly meeting of Kingsley Chapter, Order of Eastern Star, held Monday evening at the Masonic Temple program numbers were contributed by Mrs. Adolph Henrich, who played two piano solos, W. A. Chessall, who spoke at length on education, particularly as it is expressed in the Ukiah union high school, dwelling with emphasis on the opportunity offered in the night school classes, and the male quartet of the chapter the personnel of which includes Will Van Dyke, Hugh Harvey, Dr. R. Thomas and G. P. Anderson. Mrs. M. H. Iversen was chairman of the committee of arrangements for the evening.

HAD TAFFY PULL

On Friday evening, January 17, the Camp Fire Girls of the eighth grade held a business meeting and taffy pull at the home of Miss Thelma Hill.

DR. L. J. TABLER IS TO RETIRE

Anderson Valley Is To Be Without A Resident Physician

(Special Correspondence of The Press)

BOONVILLE, Jan. 21.—Dr. L. J. Tabler, only physician in this valley, is retiring from active service and is reported to have sold his property here to I. C. Burke. Doctor Tabler is past 80 years of age and certainly deserves a well-earned rest. He has practiced in Anderson Valley for seven years, coming here from Los Angeles, where he had a very large practice. At that time he was hunting a small place that would give him more leisure. Despite his age he is still hale and hearty and in condition to enjoy life for years yet. The sale includes household furnishings and also hospital equipment. It is understood the place will be for rent and residents here are in hopes it will be leased by a physician who will take over Dr. Tabler's practice. We will be sorry to lose Dr. and Mrs. Tabler and our best wishes go with them to their new home in the southern part of the state.

Is Improving.

Mrs. M. O. Akey, of San Francisco, is recovering nicely from a very delicate operation performed a few days ago to remedy internal injuries sustained in a wreck over a year ago. Her mother, Mrs. I. C. Burke, is with her.

Mr. and Mrs. S. W. Cross, of Albion, were week-end visitors at the Hogan home.

Mr. and Mrs. W. W. Holmes and small daughter and J. McCool, of Fresno, are guests of Mrs. E. S. Lemon this week.

Lodges Installed.

The local Odd Fellows and Rebekahs held joint installation Saturday night. The new officers are N. G., R. E. Brown; V. G., W. P. Burke; Rebekahs — N. G., Miss Chrystine Burke; V. G., M. C. Gowan.

Son Is Sick.

Bishop Estes, eldest son of Professor Estes, principal of the high school, has been quite ill and was taken to Ukiah Friday for medical aid. He is reported to have chronic appendicitis and an operation may be necessary.

Mr. and Mrs. W. L. St. John were Sonoma county visitors Sunday.

At Son's Home.

Mr. and Mrs. E. Estill are passing a few weeks in Ukiah, guests of their son, B. D. Estill. They expect the change will help Mr. Estill to regain his strength more rapidly. Later, when he is able, they plan a trip to the southern part of the state.

Mr. and Mrs. K. B. Wallach and Mrs. M. J. Fry were business visitors in Ukiah Thursday.

Mrs. A. Mendosa, teacher of the Anderson school, had as her guests at her home in Mendocino Sunday the Misses Violet and Linnea Nelson, of the local high school faculty.

Mr. and Mrs. A. W. Raglan were called to Oakland Monday by the serious illness of Mr. Raglan's mother. Last reports received here were there was very little hope for Mrs. Raglan's recovery.

E. Hogan and W. L. Witherell delivered a truckload of hogs in Ukiah Monday.

Beat The Storm.

Mr. and Mrs. Sidney Wineinger, of Euray, Colo., are guests at the J. L. Estes home. They arrived just a few days ahead of the recent big snow storm that stranded so many tourists on the southern route. This is Mr. Wineinger's first visit here. Mrs. Wineinger passed part of the wniter here two years ago and made many friends who are delighted to see her again.

Little Snow In Valley.

Anderson Valley was one of the few places that did not have any snow during the recent storm. A few flakes fell during the day, but melted when they touched the ground. A number of boys hiked into the foothills for a snowball fight. Stock here seems to have withstood the bad weather in much better shape than had been hoped for, even the young lambs do not seem to have suffered much.

Movie Show Date Changed.

The date of the movie to be given under the auspices of the Unity Club for the children of the valley has been changed to February 1. The name of the picture will be announced later. The regular meeting of the club will be held Saturday. The subject is "Better Movies" and Mrs. Zola Willis, Mrs. Wayne Burke and Mrs. Frank Ward are leaders.

NO GRANGE MEETING

The meeting of the Redwood Valley Grange will not take place Friday night, as scheduled. Instead the meeting will occur Saturday evening. The change is made because of the fact the new high school building is to be dedicated Friday night. Saturday night first and second degree work will be put on.

(Special Correspondence of The Press)

REDWOOD VALLEY, Jan. 21.—The Farm Center meeting was opened Tuesday evening with T. Jameson presiding in the absence of the president, John Finne. A helpful talk on grapes was given by Farm Advisor C. S. Myszka; instructive ideas were given relating to proper method of pruning and the care of the vine. He urged, where red spider was found, careful treatment should be given in spraying and dusting early in the spring, also where crown gall was prevalent, and for measles, a dormant spray of sodium arsenate in February is essential.

Want Club Assistance.

Pest control, such as squirrel poisoning and eradicating star thistle, was proposed as a project to be carried on during the year. It was suggested this would be a special feature of the 4-H Club to take up.

Leaders Were Named.

Mrs. A. M. S. Kinsler was appointed leader for the girls department and T. Jameson as leader of the boys department.

Made A Report.

C. R. Yarbrough reported on the directors meeting of the County Farm Bureau. He stated January 24 the officers and membership committees of the different centers were invited to attend a meeting at the courthouse at 10 a. m. The speaker will be Mr. Morrel, state organization manager of the Farm Bureau. A luncheon will follow the meeting.

Would Raise Funds.

Since the treasury is about depleted suggestions were offered to raise money for necessary expenses. A box social was decided upon and Mrs. Kinsler, Mr. Kauhanen and Mr. Zeek were appointed to make arrangements for a program in connection with the social to be held at the school auditorium in the near future.

Made Clever Address.

Wm. Bromley, cashier of the Savings Bank of Mendocino County, was present and gave an appropriate talk to the 4-H Club members and presented the club pins to those who have completed their year's work successfully.

Band Music Enjoyed.

The Redwood Valley Band played two numbers and Mrs. Kinsler sang two selections. The evening's program was concluded with the serving of coffee and doughnuts.

Officers Were Named.

Mrs. Frank Howland entertained the C. S. S. A., which met Thursday afternoon at the club house for their first meeting of the year. A goodly number were present, considering the inclement weather. Plans for the ensuing year were discussed and officers elected as follows: Mrs. Nels Nelson, president; Mrs. Roy Yarbrough, vice-president; Mrs. T. Jameson, secretary, and Mrs. E. B. Watson, treasurer. The next meeting will be held February 6 with Mrs. T. Jameson and Mrs. J. Branson as hostesses.

Mrs. L. S. Simmons and little son went to St. Helena last week where Mrs. Simons will be for a time with her sister, Miss E. Gilstrap.

Canadians On Visit.

Mr. and Mrs. D. Jordan have been visiting the past few days at the Nels Nelson home. Mr. Jordan has recently come from Canada for a visit with his family, who have been at Camp Meeker.

Great Tree Fell.

During the late snow storm folks were surprised when the unexpected happened in the falling of the beautiful live oak tree which was in the center of the road in front of the Hawkeye ranch. It split in the middle from the heavy weight of snow, causing the whole tree to fall entirely across the road. It is a loss that is greatly regretted, as it was one of the most beautiful and symmetrical trees of its size in the valley.

Fund Was Divided.

A mass meeting was held Saturday evening at the school auditorium for the purpose of deciding the disposal of the money from the community fair of 1923. Tom Jameson presided over the deliberations. The matter was discussed with interest and finally voted on to divide it equally among the four organiaztions of the valley—the Grange, the Farm Bureau, Improvement Club and P. T. A., each receiving $40.37.

PHILO RANCHER VISITS

Mr. and Mrs. Frank B. Cook, of Philo, motored over from their valley home Monday and visited Mr. Cook's brother, George Cook, a few hours. Frank Cook is one of the successful ranchers of his home section.

SARGON'S FAME SPREADS OVER ENTIRE WORLD

People Of This Country Sending Famous Medicine To Relatives And Friends In England, Scotland, Ireland, Canal Zone, France, Norway, Sweden, Cuba And Many Other Distant Lands

If you had found a medicine that was of such benefit to you that you would go to the trouble of sending it to relatives and friends in distant countries, you would have to be convinced in your own mind that it possessed real merit, wouldn't you?

That's just what thousands of people throughout the United States have been doing with Sargon.

From all over America and wherever Sargon has been introduced, thousands of letters have been received from grateful users telling of the gratifying results that have been accomplished by this celebrated medicine.

THOUSANDS EXPRESS GRATITUDE

On November 27th, a letter dated November 23rd, was received at the Sargon offices advising that in one week one drug firm alone had received orders for Sargon to be shipped to Cavite, Philippine Islands; Coca-Solo, Canal Zone; Belebrock, Ireland; and Paris, France.

Only recently a well-known resident of Denver, Colorado, who had been restored to health by Sargon, sent a full treatment to London, England, to his sister, who is the wife of an executive of one of the greatest retail drug firms in the British Empire.

During the past month there appeared in the Toronto papers the statement of a well-known World War veteran whose health had been greatly impaired while in the service, who stated among other things, that he owed his restoration to health to two bottles of Sargon sent him by a friend in Minneapolis.

LETTERS RECEIVED FROM THE NORTHWEST

From the Northwest, many letters of this kind have been received advising that users of Sargon are sending it to relatives back in their old countries of Norway and Sweden.

Many such letters and endorsements have been received from men of prominence, including former governors, business and professional men, mayors, state and county officials, and even Ministers of the Gospel have deemed it their duty to come forward and tell what Sargon has done for them.

These are only a few of thousands of such cases and not a day nor a week passes that does not bring hundreds of statements from the people concerning the good this medicine is doing, and reciting case after case that would convince the most skeptical.

Sargon's fame is built on actual results — not empty promises, and only those who have put it to the test know its real powers.

Sargon's aim is not mere temporary relief, but new and abundant health. No wonder it is now called the medicine with a million friends.

Autoist Held Was A Wanted Man Locally

C. W. Kettle, of Willits, held in the Sonoma county jail on a charge of driving while drunk, is alleged to be the motorist who struck and wrecked a car driven by Stanley Rea and occupied also by Ronald Fulkerson on New Year's Day as the two young men were enroute to Stanford University. The second offense which resulted in his present predicament, occurred near Geyserville.

Sheriff R. R. Byrnes has been detained at home several days, a sufferer from a bad cold.

cheerful fireplace of the Presbyterian parsonage for the weekly session. Needlework kept all fingers busy, while the ladies enjoyed the gracious hospitality of Mrs. Burnham. As a guest the society had Mrs. Carrie White, of Weston, W. Va., who is president in her own community of an aid society of 100 members.

Mail Delayed.

A slide on the railroad blocked the train Saturday so that no mail got through to Covelo. It has been a long time since we have had this experience, which in former days was the regular occurrence after winter storms set in.

A Little Boy Arrives.

A son was born to Mrs. Alta Bauer Saturday.

Mrs. James Walter and infant daughter, Lurline Lavene, arrived at home Saturday from Ukiah. In spite of the inclement weather both mother and daughter stood the trip well and are happy to be home again.

To Be Married.

Friends here received last week betrothal cards announcing the engagement of Elbridge William Ray, Jr., and Miss Vivian Luella Hargreave, of Berkeley. The bride-to-be is a local girl, the only daughter of Dr. and Mrs. Walter Hargreave, who grew to charming young womanhood in our community and who has many friends here to rejoice with her in the coming happy event.

Mrs. McCombs Dead.

Word was received here Saturday of the unexpected death in Ukiah of Mrs. E. A. McCombs, a former resident of Round Valley, widely known and loved by every old-time resident. Her sons and grandsons left late that evening for Ukiah, in spite of the dangerous condition of the roads. Making the trip were Mr. and Mrs. C. M. Bucknell, Mr. and Mrs. Henry Bucknell, Mr. and Mrs. Elmer Bucknell, Mr. and Mrs. Charles Bucknell and Mervin Foster.

No Meeting Held.

On account of the heavy snow and extreme cold the regular meeting of Augusta Chapter No. 80, O. E. S., for Thursday was not held. Special arrangements for the initiation ceremony will be made by Worthy Matron Beatrice Goforth as soon as the weather permits. Other social meetings for the year are as follows: Feb. 20, Star Point night—Mrs. Rice, Miss Caldwell, Mrs. Woolley, Mrs. Fitzhugh and Mrs. Morse; March 20. Eastern Star entertains Masons—Mrs. E. A. Gravier, Mrs. Ells, Mrs. Duncan and Mrs. Winnie Hurt; April 17, Eastern Star entertains eligible young folk—Miss Isabel Spurlock, Miss Dallas Lovell and Lester Skelley; May 15 or June 19, Past Matrons' night—Mrs. Ham, Mrs. Biggar, Mrs. Bellatti and Mrs. Wilda Hurt; August 21, Advance officers' night—Mrs. Duncan, Mrs. White and Mrs. Yates; Sept. 18, Old members' night—Mrs. Tod Hart, Mrs. Fannie English and Mrs. Montgomery.

Would Retain Record.

The next meeting of the missionary section of the Dorcas Aid Society will be held Friday afternoon, January 31, at 2:30 o'clock, at the home of Mrs. D. T. Johnson. This mission group is rated as one of the best Presbyterian organizations in the state in attendance and in meeting the quota assigned as its share of the mission funds. President Merry O'Ferrall is anxious to maintain this record unbroken, and therefore urges all members to make a special effort to be present. Plans will be discussed further for the entertainment of Miss Roberta Barr, who is to speak at the church on the following Friday. Miss Barr is a National Missions speaker, and her coming to us is a recognition of the excellent service of the local society. The general public is cordially invited to hear her.

CONSULTED SPECIALIST

Mrs. A. D. Scott, Miss La Belle Scott and LeVerne Scott motored to San Francisco Thursday last and returned home Friday. The trip was made to permit a specialist to examine Miss Scott who, in a recent automobile accident sustained severe injuries which have been slow healing.

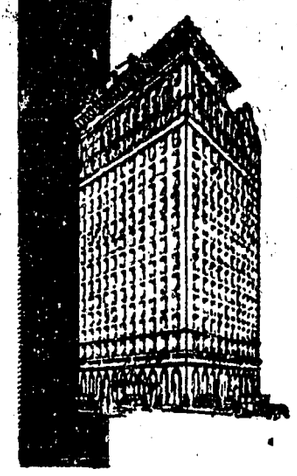
SAN FRANCISCO



HEAVY RAILS FOR N. W. P. R. R.

Pres. Maggard Continues Improving The Company Property

Beginning in April the Northwestern Pacific Railroad Company will lay 90-pound steel rails through this city beginning at a point near Largo and continuing through Ukiah and north to Redwood Valley. Orders for the new equipment have already been placed. This is the heaviest steel rail ever laid by the company and, when the stretch is finished, it will connect with Cloverdale on one end and Lahm, north of Willits, on the other thus providing 50 miles of heavy rails on the main line between San Francisco and Eureka.

Has Right Ideas.

The work on the road is in line with the Northwestern Company's policy of continually improving the road, according to President E. H. Maggard, who asserts "It is only by maintaining the property in first-class shape a railroad can continue to give a high-class service such as is being given by the Northwestern Pacific Railroad."

GOITRE REMOVED

Titusville Minister's Wife Savel An Operation, Wants Others To Know.

Mrs. F. N. Baker, Star Route, Titusville, Pa., says: "Feel I am doing real missionary work when I tell how my goitre was removed with Sorbol-Quadruple, a stainless liniment. My eyes, heart and nerves were in a bad condition. Felt no ill effects from the treatment. Glad to tell or write my experiences."

Fidelity & Casualty Co. Seeks To Evade Payment Of Policy

LAKEPORT WIDOW WINS

Court Overrules Technicality In Dr. Griner's Case

Mrs. Mary S. Griner, whose husband, Dr. Oliver T. Griner, Lakeport dentist, died last March of a heart attack induced by fright caused when his pet dog jumped at him viciously and bit him, last week won judgment for $32,000 in the federal court at Sacramento on an accident insurance policy.

Tried To Evade Payment.

Dr. Griner held a $30,000 accident policy of the Fidelity and Casualty Company, of New York, but the company declined to pay on the ground death was not accidental, but caused by heart disease and the decision, given in the federal court, where the action was tried because it was against a "foreign" or non-California corporation, was for the full amount together with interests and costs.

Story Of The Case.

It will be recalled Dr. Griner, who was well known here, arose from his bed to quiet the animal which was barking and howling in the yard of the Griner home and as he approached the dog leaped at him, inflicting a minor wound with its teeth. The professional man recoiled and entered his home trembling and frightened. He died shortly thereafter from heart failure.

State's Unfortunates Are On The Increase

According to a report filed by Earl E. Jensen, director, department of institutions, there are 24,316 persons confined to state institutions, of whom 16,644 are males and 7,772 are females. There are, in addition, 5,528 persons on parole, making the total enrollment 32,294 wards of the state, an increase of 310 on the rolls and a total increase of 215 persons in institutions for the last quarter of the year.

HAD FIVE STROKES

E. B. Gibson, prominent local druggist, returned last week from Los Angeles where he was called by the illness of his brother, Dan Gibson, former local resident, who served Mendocino county on two occasions as county treasurer. The Los Angeles man has suffered five strokes of paralysis and but little hope is held out for his recovery.

HAS BEEN ILL

Leonard Larsen, assistent superintendent of Mendocino county schools, has been confined to his home two weeks by an attack of influenza.

Romer Vista Herd Is Showing Fine Animals

In a recent test held at Point Arena and Ukiah dairies the Romer Vista Dairy, of this city, had one Jersey cow producing 72 pounds of butterfat in 30 days. The Romer Vista herd, in milk tests, averaged 5.08 per cent and in butterfat tests averaged 36.04 pounds. The showing will be much better in another month when young heifers are fresh, according to Mr. Romer who, naturally, is proud of the fine record made by his thoroughbred stock.

Great Outpouring At Funeral Of A Jurist

A cortege, two miles long, followed the body of Judge Claud F. Purkitt to its last resting place in Willows cemetery January 14. Judge Purkitt, who represented this senatorial district two terms, married an Upper Lake girl, Miss Mabel Johnson, and beside his wife is survived by a son, Claud Purkitt, Jr.

Many Ranchers To Use Tile To Drain

W. L. Crawford, of Largo, has just completed delivery of 2800 feet of 12-inch tile drainage pipe to ranches in Scotts Valley, Lake county. The contract also called for between 3000 and 4000 feet of smaller tile laterals in the system, the laying of which was completed last week. The ranches involved in the contract are those of R. A. Price, Bert Eachus, Burdette Putten, Waverly Simpson and J. W. Morris.

Dan H. Phillips, employed on The Fort Bagg Advocate, was in the city a short time Saturday afternoon.

2 ADDITIONAL MEN EMPLOYED

Traffic Patrol To Be Increased—Night Duties Require It

For the purpose of organizing a night patrol in the state highway system the board of supervisors of Mendocino county were permitted last week to submit the names of two candidates for patrol positions and to name two alternates. Those selected were M. Williams, of Willits, whose alternate is R. White, of the same city, and J. Randolph, of Fort Bragg, with B. Woodward of the same coast city as alternate.

Must Pass Test.

The requirements for the job are: Age limit between 23 and 36 years, clean character, good physical condition, previous experience riding motorcycles. The Mendocino county appointees will be required to go to Sacramento and pass a civil service examination. The night patrol will travel in automobiles and two officers will work together in each county. In all it is said 30 applications for the job were filed with the Mendocino county board of supervisors.

LAKE COUNTY PEOPLE HERE

Among Lake county people doing business here during the week were Frank Wilkinson, Hazen Capps, Frank Elliott, of Middletown; Mr. and Mrs. R. E. Dashiell and children, A. W. Ray, Mrs. Nellie Price, Claud Woodward, Mrs. Elsie Robbin and Miss Edith Woodward, all of Scotts Valley.

How To Darken Gray Hair

Makes One Look Younger.

Men and women who used to be called Grandpa and Grandma are now setting the styles by darkening their gray hair at home.

For instance, J. A. McCrea, a well-known Californian, recently made the following statement:

"Anyone can prepare a simple mixture in five minutes, that will darken gray hair, and make it soft and glossy. Merely take a half-pint of water, add one ounce of bay rum, a small box of Barbo Compound, and ¼ ounce of glycerine.

These ingredients can be bought at any drug store at trifling cost. Apply to the hair twice weekly with comb. It does not color the scalp, is not sticky or greasy and will not rub off." (Advt.)

Shell Oil Man Dies At The Ukiah Hospital

Funeral services for Perry D. Malm, employe of the Shell Oil Company who passed away here Thursday morning at three o'clock, were held at Santa Rosa Saturday morning at 10 o'clock. Interment was at Cypress Lawn Cemetery in San Mateo county. The death of Mr. Malm, who had resided here with his young wife about a year, was particularly sad. Stricken with an intestinal ailment he submitted to an operation late Wednesday but failed to rally and passed away a few hours later at The Ukiah General Hospital.

Leonard Stone, Fort Bragg attorney, was here Saturday afternoon on legal matters.

A. D. Johnston, prominent coaster and a man who is intensely interested in the state acquiring a parksite on the Mendocino coast, was here for a few hours Saturday.

DUCK HUNTING FOR YEAR OVER

Bag Limit Will Be Reduced Next Season From 25 to 15

The open season on ducks ended at midnight January 14 and it is now unlawful to shoot the birds. Beginning next season the bag limit on ducks will be reduced from 25 to 15 of the game birds.

A Poor Season.

It is reported the season just ended has been the poorest in history owing to the lack of rain at the beginning and too heavy rains later. In Mendocino county the sport is poor at best, but few birds flying over and local hunters look to the Sacramento valley rice fields for their sport.

Tree Planting Will Be Started On Highway

Deals for eight strips of land, 10 feet wide, along the Redwood Highway in Sonoma county, were closed last week by the state for the purpose of planting scarlet flowering hawthorne trees along that thoroughfare and it is reported 27 other owners of land adjoining the highway are co-operating fully with the Santa Rosa Chamber of Commerce and the Rotary Club's inter-organization committee which started the tree-planting movement, realizing the value the trees will add to the property bordering the Redwood Highway. Trees for the planting will be supplied free of cost by the state as soon as the necessary land, to prevent planting too close to the highway, is secured.
